Corsicana Independent School District

Tiger Teacher Pipeline

We invite you to apply for the opportunity to complete your bachelor's degree and attain your teaching certification through Corsicana ISD's partnership with Teachworthy. A cohort of current non-degreed, non-certified CISD employees will be selected to participate in this program which is offered through a partnership with Indiana Wesleyan University (IWU) and the Teachworthy alternative certification program. CISD will pay the tuition for the accelerated degree program and consider placing certified graduates of the program on CISD campuses upon completion. Candidates will agree to serve in Corsicana schools for a minimum of three years after completion of the program.

After completing the application, you will be asked to supply an unofficial transcript from any colleges or universities that you have attended. If accepted, you will then apply to IWU which will require that you send an official transcript from each of the schools that you have previously attended. You will also be required to submit a FAFSA form. An interview with the principal of the campus on which you will serve will also be required.

By completing this program, you will earn your Bachelor of Science in Integrated Studies from IWU. The number of courses/credits required will vary based on previous coursework. An IWU advisor will assist you with a personalized learning plan and provide a list of courses to be completed online through IWU. All courses are 5 weeks in length and will continue year round until all coursework is completed.

Professional learning courses offered through CISD will also be required and help you earn additional college credits toward your degree. These courses will be completed simultaneously with IWU courses. The number of required courses will vary based on your personalized degree plan. CISD coursework will require a combination of face-to-face and on line training and assignments.

10 online courses will be required to complete the alternative certification program through Teachworthy (a Capturing Kids' Hearts partner). While completing these requirements, you will remain in your current position and perform your required duties. Time management skills will be an asset to a student in this program.

If you are dedicated to completing your bachelor's degree and becoming a certified teacher, please complete the application below.

Corsicana ISD (CISD) does not discriminate against any employee or applicant for employment because of race, color, religion, national origin, age, disability, military status, genetic information, or on any other basis by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.
