## Comments From 2023 Graduates

- Beattie is the best! I am so happy that I attended Beattie Tech! I have learned so much and met so many great people and role models! From Maggie Adkins, Sports Medicine/Rehabilitation Sciences, North Hills
- The hands on experience that was offered has helped tremendously by providing me with knowledge that I have been able to apply to my classes and job. It was great to get to work with the instructors and kids from different schools. From Rachel Beacom, Veterinary Sciences, Deer Lakes
- I am in my second semester of taking my prerequisites to enter the nursing program. What I learned in Mr. Moran's class is helping me so much! I can't thank him enough for preparing us for these college classes. From Brooke Ciak, Health and Nursing Sciences, Shaler Area
- I would recommend Beattie to every kid whether planning on college or not. It can be used as a backup. 3 years at Beattie helped me working in the field, but I also gained skills I'll have for the rest of my life. From Donald Collins, HVAC, North Allegheny
- Best decision made, Beattie helped me see my potential encouraged me to succeed and grow & supports me currently in the military. From Kelli Gibson, Building Construction, Hampton Township
- In my 3 years at Beattie, it was always the highlight of my day, I enjoyed the work we did, the instructors were always super helpful, we had a proper working environment, and it fully prepared me to go straight into my job in the union. From Aiden Lemke, Building Construction, Hampton Township
- Beattie gave me a great experience on finding out what I want to do with the rest of my life. It gave me real world problems you have to solve in a work environment and taught me you can make a career out of anything if you're the best at what you do. From Luke MacCagnan, Automotive Collision Technology, Hampton Township
- Beattie is a good opportunity and I encourage anyone thinking about it to do it. From Hope Norkus, Pastry Arts, Deer Lakes
- I know much more than someone who didn't attend Beattie. The certifications I received at Beattie are beyond helpful. I would love to go back any day at any time. I couldn't be more grateful for being a graduate from Beattie. From Tiffani Rodarte, Surgical Sciences Technology, Northgate
- My time at A.W. Beattie broke my solitary shell and made me more social with my peers and set me down the culinary path that I've been enjoying so much since. From Brayden Sinicki, Culinary Arts, Shaler Area
- Beattie was a great resource & provided me with a great education. From Mateo Uhler, HVAC, North Allegheny
- My training at Beattie helped me attain employment post high school at a good paying career that I have enjoyed and learned a lot. I learned I would like to explore more training in welding. Thank you to the HVAC Dept. From William Whitmer, HVAC, Fox Chapel
- Beattie prepared and expanded my skillset to do what I do now. From Gavin Wynkoop, Advertising Design, Avonworth

## A. W. Beattie Career Center 2016 Graduates

### June 2017 Follow-up Study

**252 Graduates - Received 217 Responses - 86% Response Rate**

Description of Status	Number of Responses	Percent of Survey Response Total
Full Time Postsecondary Enrollment	99	46% of graduates who responded
Part Time Postsecondary Enrollment	8	4% of graduates who responded
Military	12	6% of graduates who responded
Full Time Employment	87	40% of graduates who responded
Part Time Employment	8	4% of graduates who responded
Unemployed and seeking work	2	1% of graduates who responded

\*Some graduates answered multiple descriptions of status, such as answering "part time postsecondary education" as well as "part time employment." Because of this factor, percentages and total number of responses to these questions will add to more than the number of received responses as well as more than 100% of the survey total.
