

ECHS P3 CHECK IN

VERIFYING THE ECHS MISSION

ECHS provides underrepresented students a tuition-free path to a high school diploma and an Associate's degree.

Why the F/RPM Application is Crucial:

- Identifies the students ECHS is designed to serve.
- Secures the essential funding and resources that keep the school operating.

We ask all families to complete the F/RPM application even if they believe they will not qualify, as every completed form helps validate the school's mission and secure funding.

Please complete the F/RPM application at:
<https://family.schoolcafe.com/HISD>

TC grades can be checked under self-service under the Leopard Links Tab.
HOW TO PDF

Do you need to get ahold of your TC Professor?
