General Discussion:
1.0 General Discussion

1.1 Attendance Zone Advisory Commission (AZAC) Update. Discussion.

- Mr. Kamman spoke with Mr. Tramp about the first and second scenario. Mr. Kamman expressed concern about losing 200 students. Second scenario was suggested so Divich wouldn't need to get portables. We have 5 vacant rooms and we are in favor of getting portables versus losing 200 students. At the AZAC meeting, the Board voted and recommended to move scenario 1 forward.
- January will give Divich a better outlook on what future enrollment will look like.
- Kindergarten is changing enrollment age to the first day of school versus the end of September. This may affect next year's enrollment.
