General Discussion:

1.0 General Discussion

- **1.1 Attendance and Enrollment Update**. Our absenteeism rate has decreased and is now at 19%. It is down from 23% in just a few weeks. We hope it will continue to go down as we are present more days.
  Enrollment- We have had 14 students enroll since count day.
- **1.2 2022-2023 Staffing Updates**. Budget was sent out and we are going to keep teachers in their current positions. SOT voted to keep all teachers in their assigned classes and approved the final budget.
- **1.3 2022-2023 School Organizational Team Elections** The nominations for parents are this week. The election for the new licensed staff members will be on September 19th and 20th. The election for support staff is Tuesday September 13-20th.
- **1.4 School Improvement Plan-** Divich's focus this year is to increase math scores on the NWEA MAP assessment. Fall MAP Math data stated that 54% of our students are above the 60%ile. Our winter goal is to increase proficiency 3% and our spring is to increase 3% more than winter. We have made positive changes to help teachers and students become more proficient such as a math strategist, math specials, and data driven PLCs to name a few. Other goals include having students feel confident and learn that they are able to learn new and difficult things.
