- It is Week of Giving Condors and we will have fun dress up days and community service opportunities throughout the week. In this season of giving let's come together to help those in need while thanking those that give to us. Today is "Thankful Throwback", and we love seeing those outfits from your favorite decade. Today at lunch join us in the forum to write thank you notes to local first responders. Tomorrow we end this Week of Giving with "Friendsgiving Frenzy", so find a friend or group of friends to dress like and join in on the fun. We will have friendship bracelet making in the forum so come end this week with your friends. Students will also receive 5 Star Student points for participating in the dress up days.

- All month we will be having a canned food drive for Monterey County Food Bank. This year our community is in need of lots of nonperishable food! This will be a contest between the 4th period classes and offices on campus with the class or office bringing in the most NON PERISHABLE food items receiving a party!! Let's all work together to help our community. ASB students will come by your classroom or office on Friday to collect your food items and count up how many you have brought. Thank you in advance for your support in this always important community service event!! Mr. Cornejo's 4th period class is in the lead with the most nonperishable food items right now...will anyone be able to catch them? Let's Go Condors!!!
