From Aysgarth to Rugby School. A journey of continuity, confidence and care.

Choosing the right educational journey for your child is one of the most important decisions you'll make. That's why we've created a Boarding Pathway that offers a smooth, secure transition from Aysgarth to Rugby School.

With this pathway, families benefit from a priority place, a revised financial package, and a seamless experience that provides continuity and supports long-term planning.

Importantly, children also gain valuable experience of boarding during their time at Aysgarth - helping them to build independence, confidence, and a sense of belonging before they move on to Rugby School.

With the Boarding
Pathway, you are
sure of advancing,
in advance.
