"Camp Harbor kids explore to learn, discover to grow, and create friendships and memories to last a lifetime."

Dear Camp Families,

Please find information below regarding immunizations and Physician Order Forms for Camp Harbor's summer 2026 session.

Immunizations

New York State requires all registered campers to be cleared prior to their arrival at camp. Camp Harbor asks families to submit a health history form and their most up-to-date immunization records to the parent portal. This is done at the time of registration and is *mandatory* to attend. Our Health Office will evaluate your submissions and clear you prior to your arrival. *We do not accept any other PDF upload besides the immunizations*. If you are deemed not cleared, *you* ***will not be able to attend*** until the appropriate documentation is submitted to the portal. Clearances are sent in the form of a Welcome Confirmation email from Camp Administration. You will be notified in either case.

Physician Order Form (*administering medication at camp)*

If your child/rens require medications for allergies, etc., a Physician's Order Form is required. This can be found on our website under the 'Forms' tab, and a link is provided on the 'Health History' tab of your parent portal. Please upload this signed copy to your parent portal. All medications should be dropped off at the front office in a ziplock bag labeled with your child/rens first and last name.

The New York State 2025-2026 Immunization Requirements can be found by clicking HERE.

If you have any questions, please feel free to contact campnurse@campharbor.org or campoffice@campharbor.org or call 631-584-5534.

Thank you,
Camp Harbor
