

Stevenson High School Board Bulletin

A monthly message from the Board of Education

NOVEMBER 2025

Welcome to our Stevenson High School Board Bulletin, a monthly message from our Board of Education that includes key updates that impact student life. We are very pleased to share key takeaways from our most recent board meeting. Thank you for your engagement, and we look forward to staying in touch.

Sincerely,
Stevenson High School Board of Education

KEY TAKEAWAYS

Our board meeting agendas often include many items for discussion. While you will always be able to review the agenda, meeting minutes and video recordings of these meetings on [our Board webpage](#), this Board Bulletin provides key takeaways for our Stevenson community.

1

The Board of Education received a summary of [the 2024-25 Student Achievement Report](#), a collection of student data, including outcomes on the district's goals (college readiness, college level experiences and social emotional learning). Key findings include:

- 2025 Juniors (Class of 2026) scored an average SAT score of 1276, compared to the state average of 1048 and national average of 1029. Students who took the ACT scored an average 25.2 on the exam, compared to the state average of 18.8. A national average is not yet available.
- 94% of 2025 Seniors graduated with at least one college level experience (CLE) (Advanced Placement, dual credit or articulated credit course). This is the highest proportion of seniors who have taken at least one CLE in recorded history. Research has shown that students with CLE are more likely to succeed in college and graduate in a timely manner.
- Results from our 2025 Spring Student Voice Survey show that 82% of students feel a strong sense of belonging, putting Stevenson in the 99th percentile benchmarked against comparable schools.

Assistant Superintendent Sean Carney announced to the Board that the Patriot Wellness Center was recognized by the American Institute of Architects - Northeast Illinois Chapter at its

bi-annual awards competition with the 2025 Honor Award in the “Institutional – Educational, K-12 Higher Education” category as well as the overall Project of the Year-2025 Award.
