School Environment

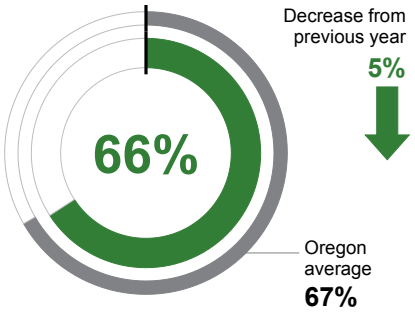

CLASS SIZE

Median size of classes in core subjects.

REGULAR ATTENDERS

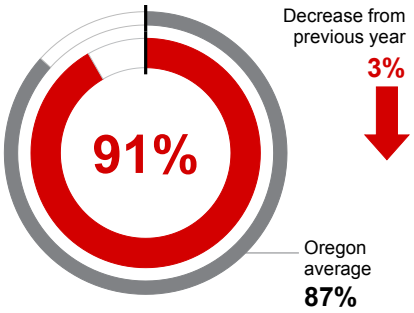

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

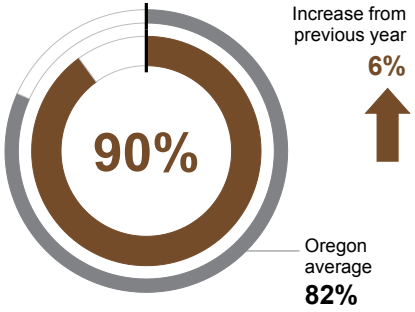

Students earning one-quarter of graduation credits in their 9th grade year.

Academic Success

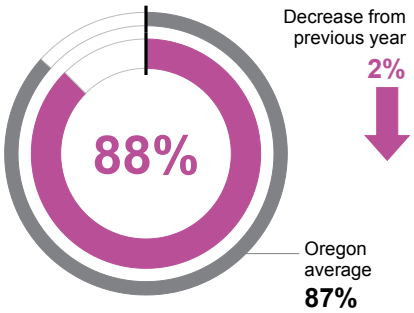

ON-TIME GRADUATION

*Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2020-21 graduating in **2023-24**.*

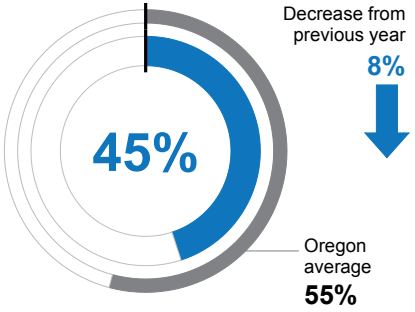

FIVE-YEAR COMPLETION

*Students earning a high school diploma or GED within five years. Cohort Includes students who were first-time ninth graders in 2019-20 finishing in **2023-24**.*

COLLEGE GOING

*Students enrolling in a two or four year college within 12 months of completing high school in **2022-23**. Data from the National Student Clearinghouse.*

School Goals

At Pleasant Hill, our mission is to help every student succeed academically, socially, and personally so they are ready for college, careers, and life. Our four pillars guide this work: (1) Academic Equity through rigorous courses and shared expectations; (2) Student Well-Being in safe, supportive environments with activities and clubs; (3) Data-Driven Decisions to track progress and improve learning; and (4) Future Ready learning that builds critical thinking, digital literacy, and career exploration.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

We foster a positive culture where students feel safe, supported, and included. Staff build strong relationships, provide clear expectations, and promote respect. Student voice is valued through leadership, clubs, and activities that strengthen belonging. Families are welcomed through communication, events, and partnerships. Together, we create an environment that honors diversity, encourages growth, and prepares students for success.

2 Counselors/ Psychologists/ Social Workers

85% Average teacher retention rate over the past three years

70% % of licensed teachers with more than 3 years of experience

No Same principal in the last 3 years

Outcomes

About Our School

ADVANCED COURSEWORK

We challenge students to reach their highest potential through advanced coursework. Opportunities include Advanced Placement (AP) classes, dual-credit college courses, and honors options across multiple subjects. These programs help students build strong academic skills, earn college credit, and prepare for success in postsecondary education and careers.

CAREER & TECHNICAL EDUCATION

We prepare students for future success through a variety of Career and Technical Education courses. Programs in areas such as agriculture, construction, and health sciences give students hands-on experiences that build practical skills and career readiness. Partnerships with local employers and colleges expand opportunities for exploration, internships, and certifications, helping students connect classroom learning to real-world pathways.

EXTRACURRICULAR ACTIVITIES

We offer students a wide range of opportunities to explore interests and build connections beyond the classroom. Clubs, athletics, music, and activities provide ways to develop skills, teamwork, and confidence. Families are encouraged to support and attend events that highlight student talents and achievements. Through these experiences, students develop leadership, strengthen friendships, and prepare for future success.

PARENT & COMMUNITY ENGAGEMENT

We value strong partnerships with parents and the wider community. Families are engaged through communication, conferences, and opportunities to participate in school events, activities, and decision-making. Community members support learning by volunteering, mentoring, and sharing expertise. Together, these connections strengthen student success and build a supportive environment where all learners can thrive.
