School Goals

At Pleasant Hill Elementary, our mission is to help every child learn, grow, and feel cared for each day. Our four pillars support this: (1) Academic Equity with a strong, shared curriculum for all learners; (2) Student Well-Being in safe, welcoming classrooms with chances to play, connect, and build friendships; (3) Data-Driven Decisions that help teachers see growth and celebrate success; and (4) Future Ready learning where students explore, think creatively, and build the skills they’ll need for tomorrow.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

We build classrooms where every child feels safe, cared for, and ready to learn. Teachers create routines, set clear expectations, and model kindness. Students are encouraged to make friends, work together, and celebrate one another’s success. Families are welcomed through open communication, school events, and partnerships. Together, we create a supportive environment that values respect, builds confidence, and helps children grow every day.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We are committed to keeping every child safe at school. Clear policies and expectations teach respect, kindness, and responsibility. Staff respond quickly to concerns, support students who are impacted, and work with families to resolve issues. Students are encouraged to speak up if they feel unsafe, knowing adults will listen and help. Together, we build a safe, caring environment where all children can learn and grow.

EXTRACURRICULAR ACTIVITIES

We provide opportunities for students to explore interests and build connections beyond the classroom. Families are invited to support and participate in activities that help children grow socially and academically. Through these experiences, students discover new talents, strengthen friendships, and develop a love of learning.

PARENT ENGAGEMENT

We value parents as partners in their child’s learning. Teachers keep families informed through regular communication, conferences, and classroom updates. Parents are invited to participate in school events, volunteer opportunities, and decision-making activities that strengthen connections. By working together, we create a supportive community where every child can succeed.

COMMUNITY ENGAGEMENT

We welcome community members as partners in supporting student learning and growth. Volunteers, mentors, and local organizations enrich classrooms and activities by sharing time, skills, and resources. Events and projects connect students with their community, creating meaningful experiences that build pride and belonging. Together, we foster strong relationships that benefit children and families.
