Safety Incentive Programs

▪ Safety Topic of the Month

An email will be sent out monthly to all employees containing the safety topic provided by SIPE. Read the attachment in the email, take the quiz, answer the questions correctly and your name will be entered in a drawing for an opportunity to win a **\$25 gift card**.

▪ Online Safety Training

Increase your safety knowledge and your chances of winning by taking as many trainings as you can on GetSafetyTrained.com!

▪ Safety Culture Spotlight

Submit one of the following to your **Site Safety Representative**:

▪ **Caught-in-the Act (CIA)** – Catch a co-worker in the act of being extraordinarily safe! You both will be entered in a drawing for an opportunity to win!

▪ **Report a Safety Concern/Suggestion** – If you **See Something** that could be considered unsafe or a hazard, **Say Something** by filling out a Safety Concern Form, including a picture for documentation. If you have an idea for improving safety, submit a safety suggestion.

▪ **Clean Workspace** – Report on a colleague and share pictures of their organized and safe desk area.

All entries will be evaluated by the District Safety Committee, with the most extraordinary CIA and the best Safety Concern/Suggestion being selected. These will be decided by the 3rd Tuesday of every month.

The purpose of the Safety Committee is to bring district employees and management together in a cooperative effort to promote safety and health in the workplace. The committee is dedicated to building a culture of safety through training, education, and policy development.
