👋

Hello Parents,

Our district is using Securly to keep students safe on their school-issued devices. As part of our commitment to your child's safety, we're giving all of our school's parents access to the free **Securly Home app**.

Get started:

Download the
Securly Home App

View your child's real-time activity feed, right from the palm of your hand.

With the **Securly Home app**, you'll have a real-time view of your child's activity on their school device. You'll also get weekly emails from Securly with a snapshot report of that week's activity.
