

2025-2026 CCA SCHOOL UNIFORM DRESS CODE

Students must wear the CCA uniform and maintain a neat, clean, and safe appearance that does not disrupt the school environment. Administrators will determine dress code violations. If a student is out of dress code, parents/guardians will be contacted to bring appropriate clothing, and the student will remain in the front office until changed. Inappropriate attire will not be accepted as it disrupts the instructional climate.

Students must wear khaki or navy bottoms with a solid white, navy, gray or red polo (short or long sleeve) or a long-sleeve button-down Oxford shirt. Middle school students may also wear light/powder blue shirts. Coweta Charter Academy spirit wear may be worn with uniform bottoms on any day. Bottoms may include pants, shorts, skirts, skorts, or dresses, which must fall below the student's fingertips when arms are at their sides.

Shoes must be closed-toe with a secure back and low heel. Crocs are not permitted. On PE days, students must wear appropriate athletic footwear.

For cold weather, students may layer with a navy fleece, cardigan, navy hoodie, sweater, or sweater vest. Other jackets brought to school must remain in bookbags during the school day. Leggings may be worn under skirts if they are solid in color (neutral or uniform colors) and made of non-sheer, hole-free material.
