Snow Day Flexible Learning Grid

In the event that school is closed due to inclement weather or other reason, your child is expected to complete 4 activities on the Flexible Learning Grid for each day that school is closed. The 4 activities do not have to make a row.

The Flexible Learning Grid should be turned in the following school day. However, if you misplace the paper copy you can always contact me with the things your child accomplished.

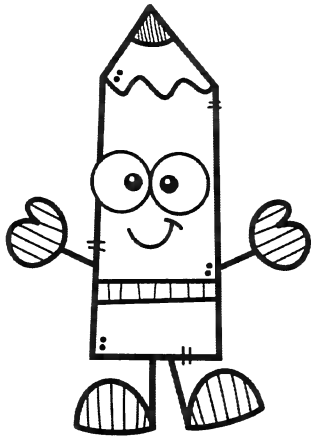

The Flexible Learning Grid will be on the school website as a reference. I am available on snow days via email or your classroom communication app if you have questions.

Name:_____

Flexible Learning Grid 1

Practice writing your name 5 times.	Practice writing the numbers 1 to 10.	Count to 10 out loud.	Draw a picture of something you did at school.
