

THE BEAR SIGNAL

RISE OF THE FUTURE LEADERS

 **WHITE SETTLEMENT**
INDEPENDENT SCHOOL DISTRICT

TRANSPORTATION DEPARTMENT

 **NEW
UPDATE**

Minor changes to some
Bus Pick-Up Locations
coming **Monday, Dec. 8**

Check ParentSquare for updates.

Please read the following for important information regarding upcoming transportation changes that could impact WSISD students of all ages.

The White Settlement ISD Transportation Department will make minor adjustments to *SOME* pick-up/drop-off locations for West Early Learners Academy and WSISD elementary students starting Monday, Dec. 8.

These are very minor changes, and they will not impact all West ELA and elementary families, but we are sending communication now to ensure that families watch for possible changes. The new pick-up locations will be close to the current stops.

Brewer Middle and Brewer High School – Pick-Up Times

The current pick-up time will remain the same; however, some high school and middle school students are currently picked up later than the time posted on the website. Please be aware of your actual time so you can plan accordingly beginning Dec. 8.

Be on the lookout for communication via ParentSquare on Dec. 3. This will include your student's route number, pick-up/drop-off location, and pick-up and drop-off time. Again, not all families will be impacted by the change, and time windows currently posted will not change. Only families impacted by the change will receive a text/email the week of Dec. 1

Why the Change?

Currently, all 19 WSISD buses serve all elementary schools, and every bus transports West Early Learners Academy (ELA) students. As a result, some high school and middle school students are consistently arriving to school 15 to 20 minutes later than the scheduled start time. With the change, 4 to 6 buses will be used to transport our West ELA students, and these students will ride their own bus with their school-age peers.

The revisions will ensure shorter, more direct bus routes, help with traffic at West ELA, and ensure that our middle and high school students arrive to school on time.

Our Transportation Department team will spend the week of Dec. 1 running the new routes to ensure efficiency. We will post updated routes to the website Dec. 3. We appreciate your support in helping us improve our transportation system for all of our kids and ensuring that no student misses vital minutes of instruction.

WHITE SETTLEMENT INDEPENDENT SCHOOL DISTRICT
