

Music

Is creating music with your voice or an instrument your passion? Or are you into creating music using different forms of media? The Music Pathway focuses on the processes of creating and making music. Students learn the theory and history behind music to crescendo their ensemble and composition skills. Students will explore potential careers in performance, recording, music therapy, teaching, composition, and arts business and management.

◆ Course Sequence

1. Musical Concepts
2. Music Ensemble and Composition
3. Business of Arts & Communication
4. Music Capstone

◆ College Credit Opportunities

- Theory and Musicianship
- Class Piano I
- Exploring Music: Bach to Rock

◆ Industry Credentials

- RISE Up Customer Service & Sales
- RISE Up Retail Industry Fundamentals
- Pro Tools User

Pathway Promise: Students in this pathway will have the ability to perform as a soloist and/or as part of a larger ensemble. They will have fundamental knowledge to communicate about music performance and music career skills.
