PLEASE REMEMBER EACH NEIGHBORHOOD CAN BE VERY DIFFERENT. IF THE PLOW/SAND TRUCKS HAVE BEEN ON YOUR ROAD THE BUS CAN MAKE IT THROUGH. IF NOT, PLEASE MAKE SURE YOU FOLLOW YOUR EMERGENCY ROUTE. THANK YOU.

***** In bad weather please listen to the Radio or Television. Do not call the school district. Check the webpage @ www.orting.wednet.edu for news. Sign up for Parent Square. Be prepared for unexpected weather conditions! Plan Ahead!! Have a plan with your child.**

Safety is our #1 concern, have your student dress warmly waiting for the bus, the bus could be running late on bad weather days.

***** In some cases if the weather is scheduled to be bad during the school day it may be possible that the school will release early in order to get your student home safely. Please think ahead and make plans with your child so they know what their expectations are when they arrive home.**
If you live on a hill and you think the bus will not make it up, please meet the bus at the bottom of hill. If we cannot deliver them safely they will be returned to the school.
