

CONEJO VALLEY UNIFIED SCHOOL DISTRICT

BOARD OF EDUCATION

RESOLUTION #25/26-12

**RESOLUTION OF THE BOARD OF EDUCATION OF THE CONEJO VALLEY
UNIFIED SCHOOL DISTRICT TO EXPLORE THE FEASIBILITY OF A POTENTIAL
LOCAL FACILITIES GENERAL OBLIGATION BOND MEASURE**

WHEREAS, Board of Education (“Board”) of the Conejo Valley Unified School District (“District”) is committed to providing positive, safe and inviting learning environments for all students;

WHEREAS, the Board is committed to attracting students and retaining quality staff by providing safe and secure schools that are equipped to support changing educational needs, methods and standards;

WHEREAS, the Board intends to direct staff to assess the District’s facilities to reflect our community’s values, supports educational excellence, and anticipates the needs of a dynamic student population;

WHEREAS, through thoughtful collaboration, transparent engagement, and responsible stewardship of public resources, the District will develop a long-term facilities roadmap that ensures students have access to school facilities that match the expectations of the community;

WHEREAS, this long-term facilities roadmap will serve as the foundation for a future general obligation bond initiative that aligns with our commitment to provide exceptional educational experiences for all students, the District focuses on offering opportunities and choices that foster each student's unique gifts and prepares them to reach their full potential for success in a diverse, challenging, and changing world;

WHEREAS, The Board recognizes that school facilities are an essential component of the District’s educational program. The Board seeks to explore community readiness to pursue a potential general obligation bond to finance school facilities improvements;

WHEREAS, the Board takes affirmative action to begin the process to explore, evaluate and consider calling for a potential future bond election during the 2026 election cycle, such election dates being June 2, 2026 and/or November 3, 2026, or thereafter when a bond feasibility study indicates a potential bond measure to be successful; and

WHEREAS, passage of a future potential bond measure might qualify the District to apply for potential state facility program matching funds to provide additional support for facility projects;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Conejo Valley Unified School District as follows:

Section 1. The above recitals are true and correct.

Section 2. The Board determines it is necessary and in the best interest of the District to prepare a long-term facilities roadmap and begin to develop a comprehensive bond feasibility study. Both items are informative activities for the Board to consider prior to placing a potential bond on a future ballot.

Section 3. The Board hereby authorizes, directs and delegates to the Superintendent and the Deputy Superintendent, Business Services or their designees to engage in the preparation of a long-term facilities roadmap and a focused feasibility study for a potential future bond measure, which may include, without limitation, all the following: (a) retaining such planning, construction, architectural and engineering experts as needed to draft a long-term facilities roadmap for all District sites and facilities to determine construction cost estimates and potential additional funding sources for projects; (b) retaining a community survey research consultant and communication consultant to poll and engage the community regarding interest and support for a potential bond measure and to assist in evaluating feasibility of a future bond measure, including engagement of community groups, advisory committees and other stakeholders and interested parties as needed; (c) reviewing financial capacity issues to determine local bond measure amounts, taxpayer cost parameters and sizing options for a potential bond measure; (d) retaining counsel or other experts to evaluate legal issues and questions and to prepare, as needed, legal documents and to assist in preparation of a ballot measure including development of a project list; (e) to seek such other services and activities as deemed relevant to the Board's future decision on whether or not to call for a ballot measure.

Section 4. Staff are hereby directed to provide regular updates and results of its investigations to the Board, with recommendations and options for addressing capital project needs through a potential bond measure

Section 5. The Superintendent and the Deputy Superintendent, Business Services or their designees are hereby authorized and directed to take all actions and do all things which they, or any of them, may deem necessary or desirable to accomplish the purposes of this Resolution.

Section 6. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the following vote of the Board of Education of the Conejo Valley Unified School District:
