

# JROTC

## POSTSECONDARY OPPORTUNITIES

- JROTC experience is highly valued in public service careers such as **law enforcement, firefighting, EMS, border patrol,** and other government jobs. Some agencies give hiring preference to JROTC cadets.
- Many JROTC cadets also transition successfully into technical training programs and apprenticeships, thanks to the discipline and hands-on skills they develop during the program.
- While military service is not required, cadets who choose to enlist often qualify for advanced enlistment rank,(E-3) which provides higher starting pay and quicker promotion.

## ALIGNED OCCUPATIONS

Occupations In	Median Wage	Annual Openings	% of Growth
Business & Math	Up to \$108,020	Very High	From 7% - 36%
