3rd Grade North

Weekly News

December 1-5, 2025

Reminders

Literacy Testing: Thank you for signing your student up for Winter literacy testing. Please reach out to your classroom teacher for the link.

Christmas Celebrations: Each class will host a short celebration on Friday, December 19th. Please look for information from your individual teacher. TCA realizes that families have different traditions and beliefs and TCA respects each family's approach to the holidays. TCA's Core Values encourage kids to stay kids longer and first-grade students tend to still hold to childhood traditions. As a result, we encourage students to honor each family's traditions regarding Santa or religious traditions.

Multiplication Facts: Please continue to practice multiplication and division fact fluency at home with your student. Each week we have a fact test. Please work on any facts the student missed on this test first. Math games are available on the TCA website.

School Supplies Check-in

Please check in with your child about any school supplies he/she may need for the remainder of the year, (ie: pencils, colored pencils, whiteboard dry erase markers, erasable red pen, blue folder, glue sticks). Many children have used most of their dry erase markers.
