

My Theatre Portfolio / Vision Board

Directions:

Show us 3 skills or ideas you have (example: creativity, teamwork, public speaking).

For each one:

Tell us what the skill or idea is.

Explain how it connects to your theatre goals for this program (why it will help you in theatre).

Alice in wonderland landscape:

- Made in 7th grade art class during a landscape unit.
- I chose Wonderland because the show *Ever After High* inspired me.

Process:

I started with a small sketch, then made two bigger sketches on printer paper. After that, I drew it lightly on another sheet and painted it with watercolors. It took about 8 days.

Mask to represent Dick Grayson (A DC comics character)

This was a mask made to represent the character type of the Shapeshifter in the hero's Journey for an archetype ballad.

This is to show the three sides of Dick Grayson. The left side being him as the very first Robin. The red in the middle representing Dan Danger. The right side representing his current persona as Nightwing.

The fair booth:

MHS Drama does a fair booth in which we do face paint.

This is one of the designs I did unfortunately this is the only one I was able to get a picture of. (P.S this was a requested design.)
