Today is “Friendsgiving Frenzy”, and we love seeing all the twins and groups dressed alike out there. We will have friendship bracelet making in the forum so come end this week with your friends and make a bracelet to share. Students will also receive 5 Star Student points for participating in the dress up days.
- All month we will be having a canned food drive for Monterey County Food Bank. This year our community is in need of lots of nonperishable food! This will be a contest between the 4th period classes and offices on campus with the class or office bringing in the most **NON PERISHABLE** food items receiving a party!! Let's all work together to help our community. ASB students

will come by your classroom or office today to collect your food items and count up how many you have brought. Thank you in advance for your support in this always important community service event!! Mr. Cornejo's 4th period class is in the lead with the most nonperishable food items right now...will anyone be able to catch them? Our last collection day will be after we return from break so that we can have the food drive going for an entire month.
