The Winship Summer Scholars Research Program at Emory University's Winship Cancer Institute

The Winship Summer Scholars Research Program at Emory University's Winship Cancer Institute offers rising or graduating high school seniors a six-week, full-time opportunity for hands-on research in an active cancer lab, paired with a mentor. The program includes faculty lectures, field trips, discussions with cancer survivors, and a final research symposium, with a \$2,400 stipend for in-person participants who are U.S. citizens or permanent residents.

For more details, visit winshipcancer.emory.edu.

Student Council is Hosting the Mimosa Elementary Santa Shop again this year.

We are hoping to collect 1500 gifts for the parents in that community. Please check with the clubs you participate in to find out how you can help.

Club advisers, please encourage your group to contribute to this charity drive where the items collected go DIRECTLY to the families in the most needed in the Roswell Hispanic community. Thank you to HOSA and Spanish National Honor Society for again helping us this year. We could not do this event without you!

Interested in meeting with college representatives?

Stop by the Counseling Office and see Mrs. Woolstenhulme to sign up!

SmartPasses will be sent out the day of the visit so be sure to check for yours. All visits will take place in the Counseling Suite unless otherwise noted in your SmartPass.
