Snow Day Make Up Day - Mix 59.2%

In the event we need to make up snow days, I would prefer the following:

130 responses

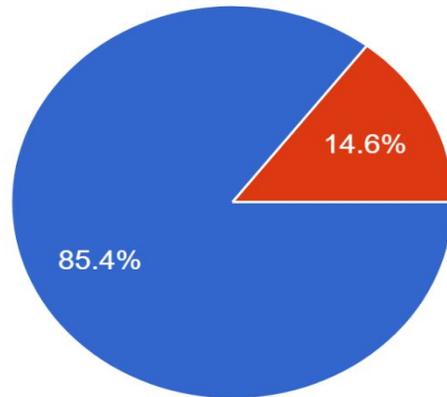

- Reschedule the missed day for the week of spring break starting with the Friday following Easter and continuing to take additional snow days in the order of T...
 - Reschedule the missed day by adding the day(s) to the end of the school calendar in June. For example, if we have three snow days, we would add t...
 - Reschedule the missed day by first adding to the end of the school year but not to exceed beyond the Friday of th...
-

Built In Snow Days - Yes 85.4%

Building "snow days" into a school calendar is a strategy some school districts use to maintain a consistent calendar through the end of the school year. Do you think your district should consider including snow days in the calendar?

130 responses

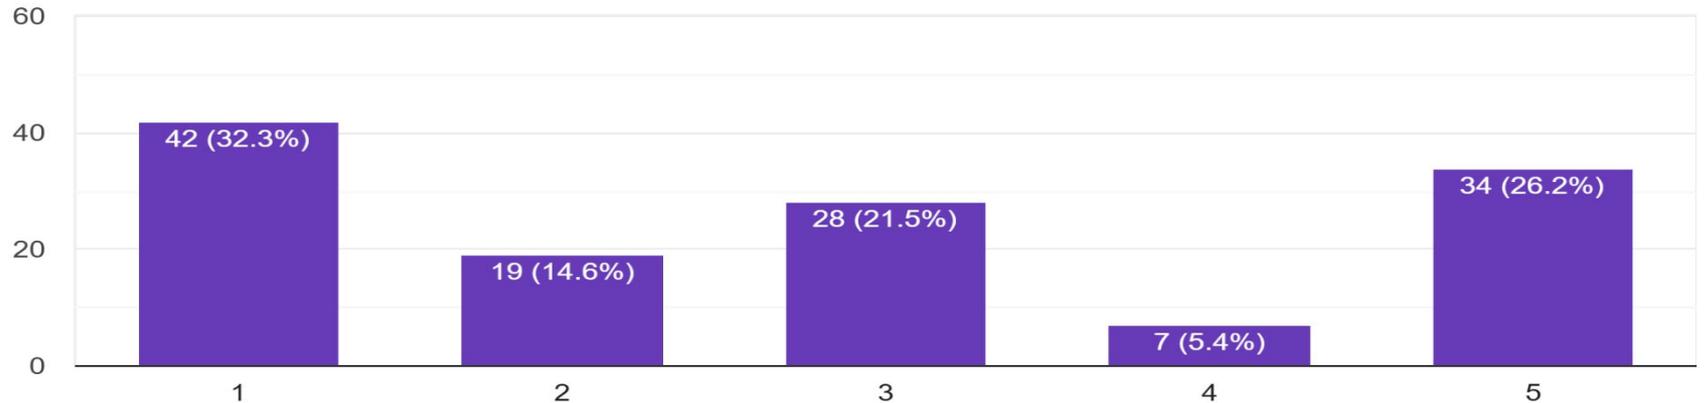

- Yes, please include snow make-up days in the calendar.
 - No, do not include snow days in the calendar.
-

Match NB Calendar

Each year when we create our school calendar, we work with the Northern Burlington County Regional School District (NB) to best meet the ne...school calendar match NB's calendar (choose one).

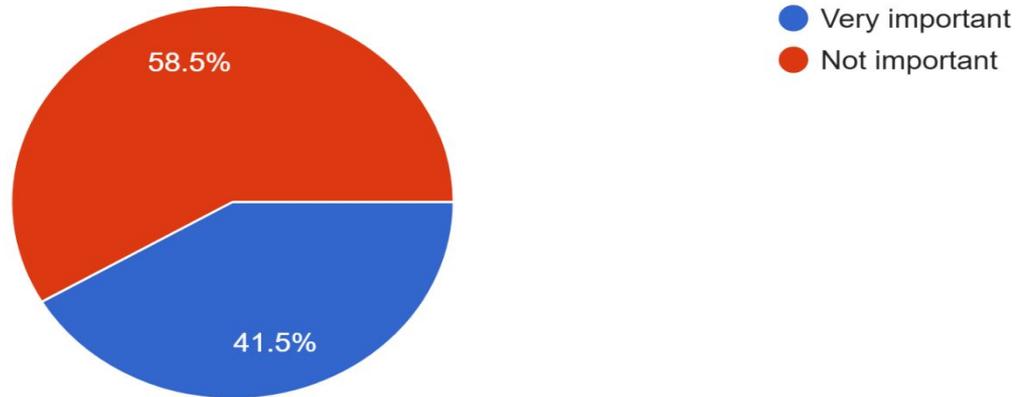

130 responses

NJEA Conv. Week - Not 58.5%

How important is it to include Monday - Wednesday as days when school is closed for the week of NJEA Teachers' Convention (November 5-6, 2026)?

130 responses

Next Steps

1. Complete Staff Calendar Survey (November)
 2. Analyze All Survey Results (December)
 3. Develop First Draft of Calendar (December)
 4. Compare First Draft with NBCRSD Calendar (December)
 5. Review First Draft with our DAC (December)
 6. Review Current Draft with our BOE (January)
 7. Propose 2026-2027 for BOE Approval (February)
