

## AVID FAMILY NIGHT

Our first ever AVID Family Night was a hit! AVID students invited their friends and family to show off all the amazing things they are learning in our AVID program. Students served food to all the guests, showed them what the tutorial process looks like, played games and so much more! Our AVID Ambassadors did a great job with their opening presentation welcoming our guests and telling them what the night would have in store. Thank you to our AVID students, staff, family and friends who showed up to support!

## CAREER LUNCH

We had the pleasure of hosting Mr. Jeffery Scott, the Assistant Athletic Director at California State University, Long Beach for a career lunch. He told our AVID and NJHS students all about his exciting career working with student athletes and staff, and what it takes to organize an athletic event from selling tickets to customer service!
