Dear Parent/Guardian,

Please be informed that transportation to the private school your child(ren) will be attending **cannot** be provided for the 2025/2026 school year as no bids were received for most routes.

Again this year, to make the process easier for all families, we will use a Google Form to complete the State of New Jersey B7T form(s). The B7T form is a request for payment of transportation aid for private school students. It is the parent/guardian's responsibility to completely fill out the google form(s) in a timely manner. The links are provided below.

B6T Application for Aid in Lieu of Transportation form is required by all private school students and due on March 1st for the upcoming school year. The form is linked below for your convenience for the 2025/2026 school year. A link for 2026/2027 will be posted in January 2026.

B7T forms submission dates:

1st Semester Digital B7T Google Form —Due by **December 1, 2025**. (First semester forms received after this date will be processed with the 2nd semester B7T forms)

2nd Semester Digital B7T Google Form - Due by **June 1, 2026**. (Forms received after June 1, 2026, will not be accepted for any AIL Payment)

No payment can or will be made without a completed B7T for each semester of attendance at your private school. You can expect to receive your first and second semester reimbursement checks by mid-February 2025 and mid-July 2026, respectively.

You must fill out one form for EACH student attending the private school. Should you have any questions or concerns, please feel free to contact me. Thank you for your cooperation.

Sincerely yours,

Kelly Sheehan
