Dear Friends and Supporters,

I feel lucky to be a part of this community. I see all that Mother McAuley has accomplished in the last year, and I know it is because of our shared belief in and commitment to providing an outstanding education to the young women of Chicagoland, one that is backed by Catholic Mercy values and nearly 180 years of real results.

Mother McAuley is a high school, yes, but it's a lifelong identity that keeps showing up. We understand the importance of offering a supportive and encouraging environment where students are unafraid to be themselves. This gives them the freedom and courage to use their voice, to lead, to deepen their strengths, and to explore new ones. Because these opportunities are offered during such formative years, this confidence stays with them. It becomes an essential piece of who they are.

This is the legacy of the Sisters of Mercy. We proudly continue their good work and carry on their innovative spirit as we build the next generation of empowered, confident thinkers who bring compassion and leadership to a world that needs them.

We are strong because of the Sisters of Mercy; our steadfast dedication to our mission; thoughtful strategic fiscal oversight; our families who continue to value a single gender education for their daughters; and the support of you, our generous community.

Thank you for your dedication, support, and commitment to Mother McAuley and our mission. Together, we are making a difference in our communities and our world by investing in the future and the MIGHTY potential of our young women.

In gratitude,

Carey Temple Harrington '86
President

> No work of charity can be more productive of good to society, or more conducive to the happiness of others, than the careful instruction of women; because, whatever be the station they are destined to fill, their example and their advice will always have great influence; and wherever a religious woman presides, peace and good order are generally to be found. **- Catherine McAuley**

Every gift tells a story.

Woven throughout these pages are voices from alumnae, parents and friends who share why they chose to support McAuley – and how their connection continues to shape our future.

Grant Update

Focusing on Affordability

We know the value of a Mother McAuley education. Our young women graduate with an undeniable confidence in themselves and their abilities, a wide range of tools and skillsets that make them unafraid to take on any challenges in pursuit of their goals, and an unshakeable foundation rooted in Catholic Mercy values that guides them throughout their lives.

We strive to ensure that every young woman who wishes to become a Mighty Mac has the financial resources they need to do so. We are grateful to the many organizations and foundations who have supported our students and families with financial aid and scholarship opportunities, including the following:

The Owens Foundation

The Owens Foundation was established in 1985 by Tom and Mary Owens to provide support and resources for those in need throughout Chicagoland. One aspect of their charitable giving has been scholarships for students from Chicago's inner city, ensuring access to quality education. We are grateful for the support of the Foundation Directors, including McAuley alumnae **Julie Owens Burns '82**, **Sharon Owens '88**, and **Katie Owens Mulcahy '93**, for their continued support, aiding five deserving McAuley students with $1,500 scholarships. *This grant award was $7,500.*

The W.P. & H.B. White Foundation

The W.P. & H.B. White Foundation supports organizations throughout Chicagoland who "contribute to the future good of our society." We are grateful they see the impact of a Mother McAuley education and have partnered with us for two decades to provide crucial financial assistance to students in need. This grant has aided countless students, primarily from Chicago's inner city and the south suburbs, as they seek a Catholic Mercy education. For fiscal year 2024 - 2025, eight students received $2,000 scholarships. *This grant award was $16,000.*

Prioritizing Student Safety

With the safety of our students in mind, we purchased a new 14-passenger bus. This allows us to provide reliable transportation for our students both to and from school as well as to and from many of the athletic, fine arts, and academic competitions and events in which our students participate. The use of our own buses offers us flexibility, but more importantly, security for students, as all bus drivers, chaperones, and coaches are McAuley employees. We are grateful to the various organizations and groups who helped fund the purchase of the new bus and the ongoing maintenance and driver compensation costs of this important initiative.

Mother McAuley Mothers Club - *$40,000*

Fred J. Brunner Foundation - *$25,000*

Helen V. Brach Foundation - *$25,000*

Developing Future Leaders with Strong Mercy Values

The Mercy core values and critical concerns are foundational to who we are as a school and as a community. We are committed to cultivating MIGHTY girls, turning them into young women who learn fairness and justice right alongside STEM and language arts. Through enhanced ministry programs and expanded offerings, we are able to provide our students with tangible experiences that allow them to grow in their faith and become advocates for a more just and inclusive world.

With the generous and dedicated support of the **Mercy Fund for Ministry Grant Program**, we were able to elevate our retreat programs, expand our summer service immersion trips, provide additional resources to our Theology faculty, and create more intentional and engaging Masses and services for our school community over the course of the 2024 - 2025 school year. We are grateful for their continued support and partnership as we uphold the mission and vision of the Sisters of Mercy and Catherine McAuley. *This grant award was $30,000.*

> “McAuley gave me such a well-rounded education and a voice and confidence toward life-long learning and growth. I am still using all the skills I learned at McAuley that helped me raise two high-achieving, resilient and philanthropic daughters. It is that legacy that I celebrate with deep gratitude.

Financial stability is a core tenet of our decision-making at Mother McAuley to ensure that appropriate fund balances are maintained to provide the *Lifetime Advantage* of a Mercy education. Working closely with our Board of Trustees, some of the significant elements of Mother McAuley's financial status include:

- Annual review of operational costs as part of a comprehensive budgeting process.
- Future planning to meet our commitment to the policy of funding depreciation for the future replacement of assets through the established Funded Depreciation Account.
- Designation and restriction of certain net assets for long-term needs.
- Annual financial report audit by an independent auditing firm.
- Maintaining donor investments in order to offset the continued increases in operational costs, scholarships, and financial aid.

Fore the Macs: Playing it Forward 2024

On August 22, 2024, alumnae, parents, faculty, staff and friends had a MIGHTY day at Ridge Country Club! Attendees supported and uplifted the next generation of Mighty Macs as they raised funds for the Tradition of Excellence Scholarship and tuition assistance.

We celebrated the 2024 Caring Heart Awardees, the **Leadership and Staff at Blair Early Childhood Center**, during the event. This award pays tribute to alumna **Caroline Griffin '12**, a member of the McAuley golf team who passed away as a result of a congenital heart disease. Recipients of the Caring Heart Award demonstrate her courage and perseverance in the face of hardship.

Since October 1, 1984, Blair Early Childhood Center has provided a protective environment so children with multiple disabilities can participate in a standard education program supplemented by specialized programs and services based on the child's needs. At the helm of Blair stands Principal **Bess Hendry '94** and Assistant Principal **Julie Kujawa '97**, who are beacons of compassion and commitment. Along with their exceptional staff - including more than 30 McAuley alumnae - they instill in their students the courage to overcome obstacles and the determination to succeed, a testament to their exceptional commitment.

> “The world needs more Mercy. Thank you, McAuley! - **Alumna, Class of 1996**

Mercy Day of Giving 2024

On September 24, 2024 Mother McAuley celebrated Mercy Day of Giving by telling the story of the Sisters of Mercy, who were visionaries in opening a school for young women in Chicago in the 1840s.

We told the story of our students, whose energy and ambition lead to acclaimed theatrical productions, award-winning works of art, powerhouse performances at the state and country level in athletics, and excellence in academics.

We told the story of the more than 29,000 alumnae, who have gone into the world and become leaders and champions in their careers and personal lives.

With the generosity of our community, we exceeded our giving day goals and raised more than **$190,000 from 800+ donors**! Together, we committed to continuing McAuley's story and providing an education steeped in community, Mercy values, and academic rigor for generations to come.

> I loved my 4 years at McAuley. I know that the Mercy Day of Giving gifts will reach future Macs that will love McAuley as much as I did. The future Macs are Mighty!

Celebration 2025

Mother McAuley painted the town red on Thursday, March 27, 2025 for Celebration! It was a full circle moment as we gathered together at the University Club of Chicago, around the corner from the first Mercy school chartered in Chicago. As we honored our school's history and legacy that evening, we also looked to the future of Mother McAuley, raising money for the McAuley Fund and reinforcing our mission to empower courageous women to change the world.

We were blessed to celebrate our esteemed honorees **Anne Edwards-Cotter '73** (Life Trustee) and the King sisters: **Margie King Elias '83, Jennifer "Gigi" King Pappas '84, Beth King Furlong '85, Kathleen King Buck '87, Kristen King Prendergast '96, Maura King Finn '97,** and **Molly King Samansky '04** (Catherine McAuley Leadership Award Recipients). These MIGHTY alumnae were celebrated for their continued dedication to Mother McAuley, their compassion for their community, their leadership in the Church and society, and their ability to inspire peers to serve and care for others.

> “McAuley did so much for me as a young woman trying to figure herself out. McAuley provided the perfect environment for girls of all personalities to find what they needed to gain their confidence in our world as strong women. **- Alumna, Class of 2006**

> There is no better school for girls than McAuley. I was so well prepared for college and so is my daughter who is a senior!

MOTHER McAULEY
Liberal Arts High School

Mother McAuley Liberal Arts High School

is a Catholic educational community committed to providing a quality college preparatory education for young women. In the tradition of the Sisters of Mercy and their foundress, Catherine McAuley, we prepare students to live in a complex, dynamic society by teaching them to think critically, communicate effectively, respond compassionately to the needs of their community and assume roles of Christian leadership. In partnership with parents, we empower young women to acknowledge their giftedness and to make decisions with a well-developed moral conscience. We foster an appreciation of the diversity of the global community and a quest for knowledge and excellence as lifelong goals.
