

Gifted Endorsement

Gifted Endorsement offered by FDLRS PAEC

Educators work to gain insight and awareness of the unique needs of students who are gifted.

60 HOUR COURSE

Provides analysis of curriculum modifications for gifted learners based on the National Association for Gifted Children (NAGC) Standards for Graduate Programs in Gifted Education.

Participants will design units of instruction that are powerful, aligned, engaging, authentic, and challenging. They will also demonstrate modifications in the content, process, product, affect, and learning environment as they relate to gifted learners.

Prepares participants to demonstrate adaptations in the content, process, product, affect and learning environment of the classroom and curricula as they relate to gifted learners.

COURSES MAY BE ACCESSED AT ANY TIME IN ANY ORDER
