

1st Grade

eLearning Activities-#3

Today will be an e-Learning Day! Your child should select **one** activity from **each letter** in STORM. Then your child should mark the box that was selected when the activity is completed.

Please have your child return this sheet to school no later than 3 days after the no school day with your signature. This is so the school can mark your student as having attended that day.

Thank you!

S Something Special	T Teamwork	O Observation	R Reading	M Math
Try origami! (YouTube has several videos, grown ups only search)	Play a board game or card game with someone.	Draw 4 trees to represent the 4 seasons. Write a sentence to describe each one.	Read for 20 minutes. (in your pj's, in a fort, to a stuffed animal, to a pet-you pick!) <small>* Books or practice reading sheets that were sent home would work!</small>	Use a calendar and count how many days until your next birthday.
Grab 10 items around your house. Have someone take something away, can you remember what is missing? Try with 10 new things!	Invent a new board game or card game to play with someone!	Look out the window. Draw what you see and write to describe it.	Read a story and then write 3 things to describe one of the characters.	Practice your addition/subtraction facts through 12 using flash cards. If you don't have any, make some!
Clean your room or toy area.	Scavenger hunt: hide something and give someone clues to find it. Repeat as many times as you want!	Have a paper airplane flying contest with your family or friends. Whose plane flies best and why?	Write 10 sight words in shaving cream or salt in a shallow dish.	Set a timer for 5 minutes. Write numbers, starting with 1, and see how far you get. Challenge: Write by 2's, 5's. 10's and see how far you get!
Choose an activity: Helping at Home Resource <small>STORM BAYLOR-BIRD PUBLIC SCHOOLS</small> 	Write 5 questions to ask someone in an interview. You can call someone or interview someone you are with today.	Penny experiment: In small cups or containers soak pennies for 2 hours in the following: 1. vinegar 2. ketchup 3. lemon juice 4. water 5. dish soap Record what you noticed.	Write a letter to your teacher. Use at least 5 sentences.	List the fact family equations for the following sets of numbers: A. 3,4,7 B. 6,2,8 C. 5, 7, 12 Example: 1, 3, 4 1+3=4, 3+1=4, 4-3=1. 4-1=3
