eLearning Activities

Board #3

Today will be an e-Learning Day! Your child should select **one** activity from **each letter** in STORM. Then your child should mark the box that was selected when the activity is completed.

Please have your child return this sheet to school no later than 3 days after the no school day with your signature. This is so the school can mark your student as having attended that day.
Thank you!

Snow

Do you know about snow? It must be very cold for it to snow.

Snowflakes form when water droplets freeze into ice crystals and fall from the sky.

Kids can play in the snow. Kids can make snowballs, a snowman, or a snow angel. People of all ages enjoy snow sports such as skiing, snowboarding, or sledding.

A big snowstorm with lots of wind is called a blizzard. It can be hard to see, so driving in a blizzard is not safe. People must stay inside to keep warm and safe.

✓ Check your understanding.

1. Color the sentence that tells how snowflakes form.

2. What can kids make with snow? _____

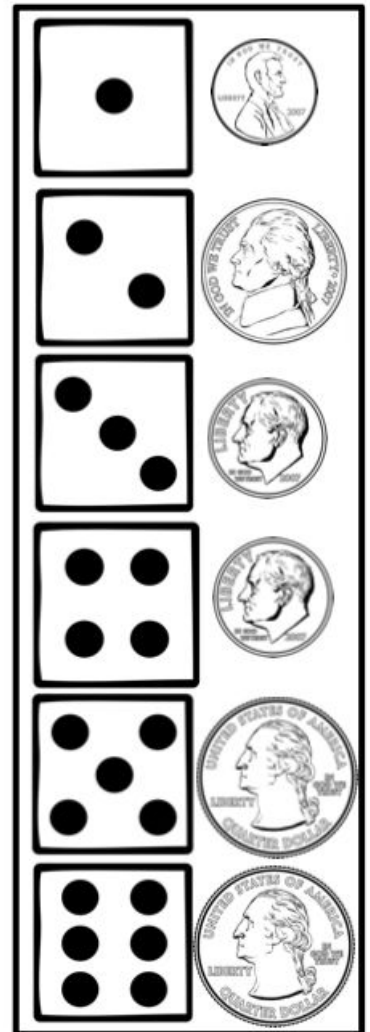

3. List three snow sports from this story: _____

4. Have you played in the snow? Yes No
