

Grade 3 eLearning Activities

Today will be an e-Learning Day! Your child should select **one** activity from **each letter** in STORM. Then your child should mark the box that was selected when the activity is completed.

Please have your child return this sheet to school no later than 3 days after the no school day with your signature. This is so the school can mark your student as having attended that day. Thank you!

Illustrate something from our classroom read aloud.	Complete an act of kindness. Reflect on how it made you feel.	Invent a new plant. Draw a picture of it and label its parts.	Read a favorite book. Draw a picture of the setting.	Write a word problem that results in an answer of 45 bananas.
Write a journal about your pet's day or reading buddies day.	Help your family clean a room in your home.	Create a new school rule. Make a poster that explains it.	Choose a nonfiction text on a topic of interest and write about 3 interesting facts you learned.	Ask your family about their favorite _____. Graph the data you collect.
Using materials around the house, build a bridge. See how much weight it can hold!	Play a color tag or capture the flag.	Observe the moon's shape. Draw a picture of it.	Create a fort and complete your 30 for 30 inside of it.	Practice your multiplication facts. You can use flash cards, create flash cards, or go to Xtramath.org (free).
Create a new ending to your favorite book. Act it out!	Make a phone call to someone special.	Imagine that you are mayor for the day. Write about what you would do for the day.	Write a letter from a character in a book you've read to a character from another book you've read. <i>For example: a letter from Harry Potter to Percy Jackson.</i>	Teach a family member a math game that you have learned at school (addition/ subtraction top it, farkle, SKUNK.) and play it.
