Summary of Action

School Governance Council

November 18, 2025

The meeting began with approving the agenda and October's minutes. The approval of minutes was followed by informational updates on norms. Next, the previous minutes were provided and approved by the council. The Superintendent Advisory Council updates were provided by Ms. McClendon and Ms. Watson. Additionally, the Principal's update was provided by Dr. Wilkins Swain. School Governance Council members discussed the SGC website audit results to confirm compliance. They reviewed the strategic planning progress. Furthermore, they explored finalizing council initiatives. Additional discussions focused on charter dollar expenditure proposals and planning the next meeting's agenda. Action items included approving the agenda, approving October's minutes, and making additions to the charter dollar expenditure proposals, ensuring proper documentation and financial decisions were finalized.
