What is McKinney-Vento?

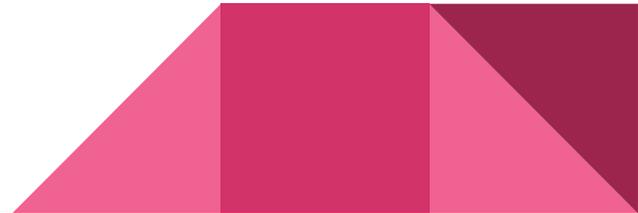

McKinney-Vento Definition: Lacking a fixed, regular & adequate nighttime residence:

- Doubled Up
 - Unaccompanied Youth
 - Trailers/RVs (Substandard)
 - Camping
 - Sheltered/Transitional housing
 - Motels
- 

Know Your Rights...²

If you or someone you know are staying temporarily with someone else because you lost your housing, or staying in a motel, campground, shelter, or in an outside or inadequate place, you and your children have special rights at school.

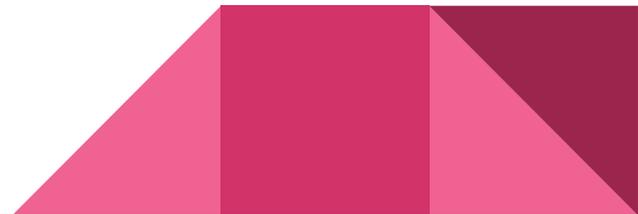

Maybe this isn't you but family or friends that you know. Please pass along this information.

Know your rights...³

Those rights include:

- Staying in the same school even if you move, and receiving transportation to that school, as long as it is in the student's best interest
- Enrolling in school immediately without the documents schools usually require
- Receiving free school meals
- Getting help with school supplies and other needs
- Extra support for youth who are on their own
- Help connecting young children with early childhood services

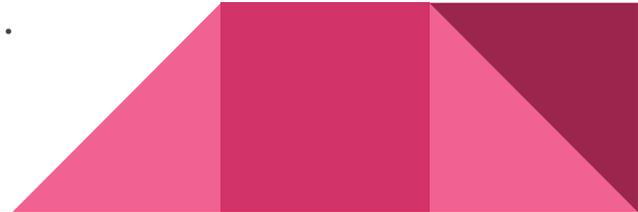

Unaccompanied Youth (UY)

Defined as a child not living with a parent or legal guardian.

- Living with Relative Caregivers
- Living with Non-Relative Caregivers
- Couch Surfing
- Unsheltered

In our district, we are fortunate to have Jenny Holbrook provide academic support for our UY as well as all 6-12th grade unstably housed youth.

Academic Coach: What?

The many academic and basic need supports offered to our McKinney students:
