Important Enrollment Information for Families with New Incoming TK or Kindergarten Students for the 2026/2027 School Year

Application

Application opens December 2nd, 2025. Beginning December 2nd, families with an incoming TK or K student may log into <https://sanjuan.childpilot.com/parents/inquiry> (see QR Code below) and complete the application for Discovery Club. When completing the application, please select: **"2026, 2027 TK,K Before and After school Including Summer"** as the program choice.

Sibling Priority

Incoming TK or Kindergarten student will be placed in the **first lottery group** and will receive priority in the enrollment process if they have a sibling attending Discovery Club. When the application asks whether you have another child enrolled in Discovery Club, please be sure to select "Yes". This confirms your eligibility for sibling priority.

Open Enrollment and Lottery Process:

Our open enrollment window runs from **December 2, 2025 through March 2, 2026**. All applications submitted during this period will be entered into the TK, K lottery. The lottery ensures a fair and consistent placement process for all families.

After the lottery is completed, children will be placed on a waitlist based on the order in which their names were drawn.

Enrollment Timeline:

Enrollment for selected families will begin in **April 2026**. Since Discovery Club operates year round, students who enroll will begin attending on the **first day of summer break in June**.

Checking your Enrollment Status:

Starting **March 3rd**, families can reach out to *Teresa Battaglia* for an update on their child's place on the enrollment list.

Thank you for your continued partnership with Discovery Club. We appreciate your family and look forward to supporting your incoming TK or Kindergarten student through the enrollment process.
