**IMPORTANT NOTE:** Students who completed a **senior resume** may submit that instead of completing this page of the application. Either this page OR the completed senior resume **must** accompany the application for it to be considered .

For this section, don't worry so much about where you include various activities. Your goal should be to provide the best representation of your high school experience; the categories are not important. The categories are there to ensure there is a place for everything. Some sections might be blank for you, that is okay. Add more rows to the tables as needed.
