Announcements: January & February are busy months for our Swim & Dive athletes and Coaching Staff. Athletes will be competing in their District Swim & Dive Meets in hopes of moving on to Regional and State Competitions. We truly appreciate your understanding during the High School Swim & Dive Season as our hours have been limited during this time.

Please feel free to let our team know if you have questions!

We hope to see you a lot during 2026! Happy New Year everyone!
