

Scholarship and Contest List

This is a list of scholarships gathered over the past few years. Look through it to see just a few examples of the scholarships and contests that are available. This certainly is not an exhaustive list, so check out the scholarship websites at the top and on the green Scholarship page in your packet. (Contact the College Counseling office at nschierling@dcawildcats.org for the green page if needed.)

DEADLINES: Whether university or private, do ***NOT*** wait until the deadline to submit your applications. Deadlines are non-negotiable and you do not want to risk an internet crash at the last minute. Set a calendar for yourself with ***YOUR personal deadlines*** (at least 2 weeks in advance) to have everything ready, including additional documentation needed such as resume, letters of recommendation, transcripts, etc. Remember that in almost every circumstance, ALL items are due by the deadline – not just the application.

RECOMMENDATIONS: Give teachers and other recommenders **AT LEAST 3 WEEKS** notice before you want the recommendation ready to send. Do ***NOT*** wait until the week it is due to ask for a recommendation! (Remember “due” is ***YOUR personal deadline***, which should be well before the actual deadline.)

All recommendations should remain confidential and not seen by the student or family. Many scholarship applications will send a link directly to your recommenders when you submit their contact information. If not, have all recommenders send their letters to the College Counseling office at nschierling@dcawildcats.org. The College Counseling office will mail/submit all recommendations for you. Refer to the pink Recommendations page in your packet for helpful information.

TRANSCRIPTS: Request transcripts in the College Counseling office at least 1 week in advance.
