RFQ/P# 26.002

Architectural Services

Addendum# 1 – 11/21/25

(Total of 2 page including attachments)

1. We are an MEP engineering firm that provides prime consultant services with licensed engineers on staff and other pertinent consultants such as structural and architecture as needed. We would like to be considered in the pool for projects that are primarily MEP related. Please confirm we can respond to the RFP no. 26.002.
[Yes, you can respond](#)

2. What type of response is the District looking for when the RFP requests, “Financial Resources. Provide a statement of Firm’s financial resources, certifying the correctness of that information”?
[Please provide audited financials for the last three years](#)

3. Please confirm that we do not need to provide any Iran Certification in our submittal since this is an RFQ and does not ask for pricing a specific project, is that correct? [Correct, Iran Certification is NOT required.](#) If it is required, since we do not yet know what our fee would be, which option shall we choose?

4. To make comments or objections on the Agreement (Attachment A), would you like us to redline the Agreement or provide a written document of objections/comments? [Please redline objections/comments](#) If you would like the agreement to be redlined, can you confirm this will not count in our page limit for the submission? [Confirmed, it will not count toward the page limit](#)

5. Does the cover letter need to wet signed (scanned copy) or can it be an electronic signature stamp? [Electronic signature will suffice](#)

6. Under point 2.19.7., the RFP states to provide “DSA number(s) for the project; and” but does not say the missing word, would you please advise if the “and” was a mistake? [It is a typo/mistake](#)

7. For the “Past Projects” section, the RFP asks to list “Name of project construction manager, project manager, and/or program manager”, does this refer to a member of our team or on the District’s side? [District PM and/or Construction Manager](#)
