

FULTON COUNTY SCHOOL DISTRICT

Home of the Pilots

November 10, 2025

Dear Parent/Guardian,

Your child is bringing home an NTI (Non-Traditional Instruction) folder today. These folders contain learning materials that will be used only if the school district makes an NTI Day announcement, which may be called due to inclement weather or high levels of illness within the school district.

Please keep this folder in a safe and easily accessible place at home. A consistent spot—such as on top of the refrigerator or in a designated drawer—will help ensure it is not misplaced. While we hope NTI days will not be necessary, winter weather can be unpredictable.

Inside the folder, you will find instructions that outline the assignments for each specific NTI day. If NTI days are implemented, communication will be sent to let you know which NTI day(s) to complete. All necessary materials for each assignment are already included in the folder. NTI materials may also be found on the school website at www.fulton.kyschools.us.

Completed work for the designated NTI day(s) should be returned to school on the next in-person learning day. Participation/attendance for NTI days is verified based on the completion and return of this work. It is very important that students finish and turn in the assignments so they may be counted present.

We kindly ask that students do not work ahead. For example, if Day 1 is assigned, please save the remaining assignments in the folder for potential future NTI days. Schools in Kentucky are approved for up to 10 NTI days annually.

If you have any questions, please contact us at 270-236-3923. Thank you for your cooperation and continued support!

Sincerely,
Fulton County Schools

Mission Statement: COMPASSION + HIGH STANDARDS = GROWTH FOR ALL!

Vision: RELENTLESSLY PURSUING EXCELLENCE
