# CHS BOYS SOCCER

Building a Culture of Excellence

## CHS SOCCER FAMILY

As dedicated parents, coaches, and fans of our boys soccer program, we strive to provide our players with the equipment and facilities necessary to raise the standard on and off the pitch. Your support plays an inexplicably important role in promoting the growth of these young men in their craft, and giving them the tools to carry these habits into all areas of their lives. We invite you to consider becoming a sponsor and contributing not only to the success of our upcoming season, but for the future of our program at large. Your contribution goes directly to the amazing improvements you've seen over the past few years, which players from 5th through 12th grade benefit from. Without your help, we will not be able to sustain the work we've done or continue to improve in the future.
