Subject: Important Information About Flexible Instructional Days (FIDs) for Snow or Bad Weather

Date: Monday November 10, 2025

Dear Easton Arts Academy Families/Guardians,

As winter approaches, we want to make sure that learning can continue safely, even when the weather doesn't cooperate. If snow, ice, or other bad weather makes it unsafe to come to school, Easton Arts Elementary Charter School will use a Flexible Instructional Day (FID) instead of a regular "snow day."

What Is a Flexible Instructional Day?

A Flexible Instructional Day (FID) is a school day that takes place at home when our building is closed due to inclement weather. Students will complete learning activities from home using instructional packets that have been prepared by their teachers. These days count as regular school days and help us avoid adding extra days to the school calendar in June.

How Will You Know If It's a FID?

If the school needs to close and use a FID, families will be notified via Channel 69-WFMZ-School Closings are announced. One Call-Text Message to all families and the school website: www.eaaecs.org. The message will clearly state that the school is on a "**Flexible Instructional Day.**"

What Students Will Do on a FID

Each student will receive an instructional packet that includes assignments for English/Language Arts, Math, Social Studies, Science, Visual Arts, Music, Theater, Dance and Movement. In addition, Students with IEP's, 504 Plans, Title 1 Reading, or English as a Second Language support will receive modified assignments with their needs. These packets will be sent home in advance and should be kept in a safe place for use on any FID.

On a Flexible Instructional Day, students should:

Students should complete the instructional packets and return the completed work to their teacher on the next in-person school day. If parents have questions, they can reach out to Teachers through Class Dojo.

Attendance

Student attendance on a FID is based on the return of the completed instructional packet. Please make sure your child turns in their work when school reopens so they can be counted as "present" for the day.

If You Have Questions

Please contact the school's main office-(484-546-4230 or contact your child's Teacher by Class Dojo or email.

We appreciate your support in helping our students keep learning! Thank you for working with us to make Flexible Instructional Days successful for every student at Easton Arts Academy Elementary Charter School.

Warmly,

Dr. Charles Bomboy Jr.
Interim CEO/Principal
