Subject: Important ACA Update – 1095 Forms No Longer Required to Be Issued

We want to share an important update regarding the Affordable Care Act (ACA) reporting requirements. Due to recent legislative changes, employers are no longer required to provide employees with Form 1095 as part of the annual tax process. As a result, our district will not be issuing 1095 forms moving forward.

Please note that these forms are generally not required for filing your taxes. However, if you would like a copy of your 1095 for your personal records or for any other purpose, you may request one at any time.

To request a copy, please email the Benefits Team at benefits@murrieta.k12.ca.us and we will be happy to assist you.

Thank you for your attention to this update. If you have questions or need additional clarification, please feel free to reach out.

Thank you,

Benefits Team
