

OVERVIEW

Founded in 2003, JSerra is an independent Catholic high school that encourages students to pursue personal and professional excellence. In partnership with parents and teachers, we form the faith, intellect, and character of our young men and women. JSerra is one of Orange County's most selective high schools, with a 70% acceptance rate and incoming students scoring in the top 25% nationally.

MAGNET
PROGRAMS

30%

STUDENT BODY
ENROLLMENT

- Magnet programs set the bar for what diverse, immersive elective opportunities can look like for high school students.
- All magnet courses receive honors credit.
- Only students in the magnet programs can take these specialized courses.

ENGINEERING MAGNET

The Tevora Engineering Magnet Program emphasizes hands-on laboratory experiments and project-based learning, preparing students for an engineering curriculum on the collegiate level.

This program adopts the curriculum of Project Lead the Way, a leader in providing rigorous and innovative STEM education.

Required Courses:

- Introduction to Engineering
- Computer Science
- Civil Engineering & Architecture (3D CAD)
- Principles of Engineering
- Computer Integrated Manufacturing
- Digital Electronics
- Aerospace Engineering

BUSINESS MAGNET

The DuPont Business Magnet Program develops future leaders who are well-prepared, knowledgeable, and skilled for the global business environment, ready to excel at the nation's top business schools.

Students gain hands-on experience through their Senior Capstone Project which includes an off-campus internship and the creation of a comprehensive business plan they present to an executive panel.

Required Courses:

- Introduction to Business
- Speech & Debate
- Business Communications
- Business Contract Law
- Accounting
- Sales & Marketing
- Capstone Project

Our dual-enrollment courses are articulated through Saddleback College, providing students with 18 units of college credit.

HUMANITIES PROGRAM

The Humanities Program follows a four-year trajectory from the Ancients to Post-Modernism, studying the foundations, high points, and centrality of Christian culture and the Catholic worldview in forming an understanding of the human person.

Focusing on readings in English and Theology from the Western canon and Christian culture, the program leads students to discover Christ revealed through the good, the true, and the beautiful.

MEDICAL MAGNET

The Medical Magnet Program requires four years of study that includes classroom instruction in advanced math and science combined with clinical knowledge provided by working professionals in a hospital setting.

This curriculum is rigorous and requires students to enroll in multiple science and math courses compared to the typical high school curriculum.

Required Courses:

- Introduction to Health Sciences
- Introduction to Neuroscience
- Anatomy & Physiology
- AP Biology
- Concepts of Genetics
- Medical Ethics
- Chemistry Honors

LAW MAGNET

The Patrick Ahle Law Magnet Program focuses on developing students' written, verbal, and analytical skills while introducing them to the field of law and preparing them for the rigors of law school. Our faculty have over 100 years of combined legal experience in both criminal and civil law.

This program gives students access to first-year law school curriculum and real-world experience in our state-of-the-art on-campus courtroom classroom.

Required Courses:

- Introduction to Law
- CA Real Estate Principles
- Legal Research & Writing
- Business Contract Law
- Legal Aspects of Real Estate
- Criminal Law
- Constitutional Law
- Mock Trial Program

Courses are articulated through Saddleback College, providing students with 18 units of college credit and the opportunity to sit for the California Real Estate License exam.

Required Courses:

- Humanities 1 Honors English
- Humanities 1 Honors Theology
- Humanities 2 Honors English
- Humanities 2 Honors Theology
- Humanities 3 AP English Language and Composition
- Humanities 3 Honors Theology
- Humanities 4 AP English Literature
- Humanities 4 Honors Theology
