

Step-by-step instructions to create a GAfutures account

*Before you start the process to create a GA.futures account, you must know your social security number or you will be given a temporary ID.

- 1) Go to gafutures.org
- 2) Click on “Create an Account” at the top of the page.
- 3) Click on Students. Then enter your personal email address. Make sure it is an account you check regularly. It cannot be your parent’s email address.
- 4) Click on “I attend a Georgia public high school.”
- 5) Choose 3 security questions and write your answer for each question.
- 6) Create a username and password. Make it something you can remember!
- 7) Choose your home high school. Make sure the school code matches the school: RCHS (110860), HHS (110857), SHS (110861). Do not choose RCA.
- 8) You must enter your social security number. If you do not have a social security number, GAfutures will provide you with a temporary number, but you will need to update this later.
- 9) Enter your home address, phone number, and parent/guardian email address.
- 10) Click “Acknowledge Terms of Use” and “Privacy Statement”
- 11) Click the Captcha box (I.am.not.a.robot) and click on any images it requests.
- 12) Click “Create an Account”
