Community Schools' Program

As a method of extending educational opportunities to the entire community through a fuller utilization of school facilities, a community schools' program may be established. The program shall be financed primarily by federal or state funds, participation fees, contributions, or some combination these sources.

The superintendent shall establish and periodically present to the board for review, an organizational plan and tentative program that shall assure that the program is responsive to the varying needs of citizens living in different sections of the community.
