RESOLUTION AUTHORIZING CONTINUED FUNDING APPLICATION

This resolution is adopted to certify approval of the Governing Board to submit the Continued Funding Application (CFA) to the California Department of Education (CDE). If the CFA is approved by the CDE, the agency's current California State Preschool Program contract and Prekindergarten and Family Literacy Support contract, if applicable, will be automatically renewed for fiscal year (FY) 2026–27. This resolution further authorizes the designated representative(s) below to sign the CFA and all related FY 2026–27 contract documents.

RESOLUTION No. 25/26-3702

BE IT RESOLVED that the Governing Board of Santa Ana Unified School District authorizes the person/s listed below to sign the FY 2026–27 CFA and all related contract documents for the Governing Board.

NAME/S OF AUTHORIZED REPRESENTATIVE/S	TITLE/S
Lorraine Perez	Superintendent
Ron Hacker	Associate Superintendent/ Chief Business Official

PASSED AND ADOPTED THIS DATE, 10/28/25, by the Governing Board of Santa Ana Unified School District of Orange County, in the State of California.

I, Valerie Magdaleno, Clerk of the Governing Board, certify that the foregoing is a full, true, and correct copy of a resolution adopted by the said Board at a meeting thereof held at a regular public place of meeting and the resolution is on file in the office of said Board.

(Date)

Fiscal Year 2026–27 Continued Funding Application
DUE DATE: 5:00p.m. November 14, 2025

Contractors holding a current California State Preschool Program (CSPP) contract, and if applicable a Prekindergarten and Family Literacy Support (CPKS) contract, who wish to be considered for continued funding, for fiscal year (FY) 2026–27 must complete this application for continued funding. The FY 2026–27 CFA Overview and Instructions may be accessed on the [CFA web page](#). Contractors are strongly encouraged to review the CFA Overview and Instructions before and after completion of the CFA and associated documents to confirm that the application and forms submitted for their agency have been completed in accordance with all applicable instructions.

Contractors who apply for and are approved for continued funding do not need to sign a contract with the California Department of Education (CDE) to provide CSPP and CPKS services for FY 2026–27. Contracts will be automatically renewed in accordance with all applicable federal and state laws and contract terms and conditions (CT&C). By signing this CFA, the contractor is indicating that it wishes to automatically renew its contract(s) for FY 2026–27 and accepts all of the terms and conditions of the 2026–27 CSPP contract, and if applicable the 2026–27 CPKS contract, which will be provided to the contractor no later than June 1, 2026.

Upon completion of this CFA, the CDE will review the application and may contact your agency seeking additional information. If the CFA is returned to the CDE in a timely manner but is not fully and accurately completed, funding for FY 2026–27, if approved, may be delayed.

Please also note that contractors have no vested right to a subsequent contract. Completion of this CFA does not guarantee a renewal of funding. If the CDE determines your agency will not be renewed for a subsequent contract year, you will be notified in writing no later than April 7, 2026, pursuant to the *California Code of Regulations*, Title 5 (5 CCR) Section 17828.

Contractors that wish to reject the terms of the FY 2026–27 CSPP and/or CPKS contract must provide the CDE with written notice that the terms of the contract(s) are rejected by emailing EarlyEducationContracts@cde.ca.gov on or before June 30, 2026. The email should come from the Executive Director/Superintendent of the contracting entity or their authorized representative and state that the terms of the FY 2026–27 CSPP and, as applicable, the CPKS contract are rejected. Contractors providing such notice to the CDE of the rejection of the terms of the contract will not have contract(s) in effect for FY 2026–27. Contractors cannot reject their CSPP contract and still receive funding under a CPKS contract since CPKS funding is tied to having a CSPP contract. If no notice of rejection is sent to the CDE and the CFA is approved, the contract will be automatically renewed, and no further action will be required from the contractor.

If a contractor wishes to terminate the contract for any reason during the FY 2026–27 contract term, the contractor shall notify the CDE of its intent to terminate the contract at least 90 calendar days in advance of contract termination and shall follow 5 CCR 17795.

If you have any questions regarding the CFA, please contact CFA@cde.ca.gov.

Section III – Contractor Certification

Under penalty of perjury, I certify the following statements as true and correct to the best of my knowledge:

- I have read and understand the staffing requirements for Program Director, Site Supervisor, and Teacher. All staff employed by the contractor for the provision of preschool services are fully qualified for their respective positions. The exception to this certification is a person employed as Program Director or Site Supervisor who possesses a current Staffing Qualifications Waiver approved by the Early Education Division.
- I am authorized by the contractor's Board of Directors or other governing authority to execute this CFA, signifying their intent to automatically renew the current CSPP contract, and CPKS contract if applicable, for FY 2026–27, under new terms and conditions to be established by the CDE, unless rejected in writing prior to the effective date of the new contract(s) on June 30, 2026.
- On behalf of the contractor and its governing authority, I understand that some information requested in this CFA is intended for use by CDE auditors in connection with future audit work and performance reviews and may not be used, reviewed, or considered by the CDE until after the contract has expired, if ever. Therefore, the contractor further understands that the information (and any underlying transactions) disclosed by this CFA shall not be considered properly noticed to the CDE, nor approved, accepted, or authorized by the CDE, even if the contractor's request for continued funding by the CDE is subsequently approved.
- The governing board members or persons with governing authority have been trained in understanding conflict of interest requirements associated with their positions on the board and have reported all known conflicts of interest.
- As the signer of this CFA, I have supervisory authority over the CSPP and have knowledge of the information provided in this CFA. I am familiar with and will ensure that the contractor complies with all applicable program statutes and regulations in effect for FY 2026–27, including but not limited to:
 - Subcontracting requirements, including competitive bidding, CDE approval, and audit requirements in 5 CCR. I certify that any contractual arrangement(s) with subcontractors are made in adherence to the required subcontract provisions contained in the *California Education Code (EC)*, 5 CCR, and the CT&C. As the contractor, it is my responsibility to monitor the performance of the subcontractor to ensure services are provided appropriately through the entire contract term and that the contractor is ultimately responsible for the actions of any subcontractor.
 - Prohibitions on conflicts of interests, including (i) the assurances required to establish that transactions with officers, directors and other related party transactions are conducted at arm's length, and (ii) employment limitations stated in *EC*.
 - Cost reimbursement requirements, including reimbursable and non-reimbursable costs, documentation requirements, the provisions for determining the reimbursable amount

and other provisions in 5 CCR, and accounting and reporting requirements in 5 CCR. ○ Operational and programmatic requirements. ○ Personnel requirements as stipulated in EC 5 CCR, and the CT&C. ● As the authorized representative of the CSPP contractor named in this application, I certify that: ○ I have reviewed all information for my agency and, to the best of my knowledge, the information on the CDMIS website reflects accurate information for my agency as of the date this certification is signed. ○ I understand my obligation as a CSPP contractor to ensure the accuracy of information in CDMIS on an ongoing basis and will update the information in CDMIS as needed throughout the contract period.	
By signing this CFA, the contractor is indicating that it wishes to automatically renew the current contract for FY 2026–27 and, if approved, is willing to, and does accept, all terms and conditions of the CSPP contract, which will be provided to the contractor no later than June 1, 2026. The contractor may reject the FY 2026–27 contract by providing the CDE with a written notice of rejection no later than June 30, 2026. Contractors that wish to reject the terms of the FY 2026–27 contract must provide written notice that the terms of the contract are rejected by emailing EarlyEducationContracts@cde.ca.gov on or before June 30, 2026. The email should come from the Executive Director/Superintendent of the contracting entity or their authorized representative and state that the terms of the FY 2026–27 CSPP contract, and CPKS contract if applicable, are rejected. Contractors providing such notice to the CDE of the rejection of the terms of the contract(s) will not have a contract(s) in effect for FY 2026–27. I understand that failure to timely reject the terms of the contract means that the contract may be automatically renewed for FY 2026–27 starting on July 1, 2026. As the authorized representative of the contractor named in this application, I certify that I have reviewed all the information provided in this application, and in all accompanying forms, and I hereby attest that the information provided is true and correct to the best of my knowledge as of the date this certification is signed.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and

Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. 4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

**SANTA ANA UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION**

Resolution No. 25/26-3703

Supporting Proposition 50 - Temporary Adjustments to Congressional District Maps

The Santa Ana Unified School District Board of Education remains steadfast in its mission to ensure equitable access to high-quality education and essential supports for every child in Santa Ana. As federal actions continue to create uncertainty and threaten vital public-education resources, it is critical that California's congressional representation reflect the values and needs of the communities we serve. Proposition 50 reinforces that principle by safeguarding California's ability to advocate for students, families, and schools through fair and balanced representation.

WHEREAS, the Santa Ana Unified School District is committed to providing every student with a well-rounded, rigorous, and joyful education that prepares them to thrive in school, career, and life; and

WHEREAS, students can only succeed when their basic needs are met, including access to nutritious meals, safe and stable learning environments, health and mental-health supports, and the freedom to express their identities without fear of discrimination; and

WHEREAS, recent federal actions have adversely impacted public education, including efforts to eliminate the U.S. Department of Education, attacks on diversity, equity, and inclusion (DEI), increased immigration enforcement, and threats to education funding; and

WHEREAS, these federal actions have created fear, instability, and barriers to student learning due to fiscal instability and the ongoing threat of immigration enforcement at or near schools, requiring educators and school leaders to dedicate time and resources to support students and families at the expense of academic focus and student wellness; and

WHEREAS, in January 2025, the White House rescinded protections against immigration enforcement at sensitive locations such as schools, and Congress subsequently expanded funding for immigration enforcement activities, resulting in increased incidents near school campuses throughout Southern California; and

WHEREAS, in July 2025, Congress approved a budget that reduced Medi-Cal and CalFresh benefits—impacting hundreds of thousands of California families-while simultaneously diverting taxpayer dollars to private-school vouchers; and

WHEREAS, these cuts will have cascading impacts on vulnerable students, as Medi-Cal and CalFresh eligibility are used to determine access to other critical programs, including the National School Lunch Program; and

WHEREAS, the federal administration has canceled hundreds of millions of dollars in education grants, including those allocated to support the recruitment and retention of a highly qualified, diverse educator workforce; and

39 **WHEREAS**, the federal administration has also frozen billions of dollars in previously
40 appropriated education funding, destabilizing district budgets and jeopardizing essential programs
41 statewide; and

42 **WHEREAS**, the President has proposed to cut education funding by 15 percent, including the
43 elimination and block-grant funding for many education programs for Fiscal Year 2026; and

44 **WHEREAS**, the House Appropriations Committee is proposing a 15 percent reduction to
45 federal education funding, including a 27 percent cut to Title I, which supports low-income students
46 for Fiscal Year 2026; and

47 **WHEREAS**, these escalating threats to public education compound longstanding
48 underfunding of critical federal programs such as the Individuals with Disabilities Education Act
49 (IDEA) and Impact Aid, leaving schools under-resourced to meet the needs of students with
50 disabilities, English learners, and other vulnerable populations; and

51 **WHEREAS**, in response to partisan redistricting efforts in other states, the California
52 Legislature introduced Assembly Constitutional Amendment 8, known as the *Election Rigging*
53 *Response Act*, to place Proposition 50 on the November 2025 ballot; and

54 **WHEREAS**, Proposition 50 will shape California's congressional representation and its
55 ability to defend public education and secure the critical resources students need during a time of
56 heightened federal threats;

57 **NOW, THEREFORE, BE IT RESOLVED**, that the Santa Ana Unified School District Board of
58 Education strongly supports Proposition 50 as a necessary measure to protect public education,
59 defend vulnerable students, and ensure that California maintains a strong voice in Congress to
60 advocate for the needs of schools and communities.

61 **BE IT FURTHER RESOLVED**, that the Board encourages civic engagement, education, and
62 participation among students, families and community members regarding the 2025 General
63 Election.

64 **PASSED AND ADOPTED** by the Santa Ana Unified School District Governing Board of
65 Education on October 28, 2025.
