The
Eagle Examiner

Our mission is to inspire and guide each student to his or her maximum potential

MESSAGE from the SUPERINTENDENT

Ryan McLane

Happy New Year! I hope you all enjoyed the holiday season and had a chance to spend some time with your families and friends.

The winter weather has emerged and does not seem to be going away any time soon. That's the price we pay for living in Ohio. People often ask me, how do you determine if there is a delay or snow day? I have a team of

people who assist me in making the decision on whether to delay, close, or remain open. We have people checking the roads in different parts of the district early in the morning on days we have concerns. I am also communicating with other local superintendents. We do our best to make the decision before 5:30 AM on the day of a weather event and by 9 PM the evening before.

Safety is always our top priority when making weather-related decisions. While we understand the inconvenience that delays or closures can sometimes cause for families, our goal is to ensure that students and staff can travel safely to and from school. We also take into account factors such as wind chill, icy conditions, and the ability of our buses to navigate the roads. Please know that these decisions are never made lightly, and we appreciate your patience and understanding as we navigate the unpredictable Ohio winter weather together.

The state used to give schools a set number of "snow days." That is no longer the case. We are required to meet a minimum number of hours of instruction each year, a number that we build into our schedule to greatly exceed each year at Big Walnut. At this point, I am not concerned about needing to make up days at the end of the year.

Ryan McLane

Big Walnut Staff Spotlight!

For 28 remarkable years, Jenny Horman has been a cornerstone of the BW family. Her warmth, dedication, and boundless energy have left an indelible mark on generations of young learners. Beyond the classroom, Jenny's heart is full of love for her family and her loyal dog. She also shares a unique passion for crocheting, crafting cozy winter sweaters for her cherished chinchillas, a hobby as endearing as she is.

Jennifer Horman
Big Walnut Elementary

When she's not inspiring young minds or delighting her pets, Jenny recharges with a good game of bridge. Weekends often find her around the table with friends, laughing and strategizing through marathon sessions. Her commitment to both her students and

her own well-being makes her a role model for the BWE community. As she prepares for another amazing week of teaching, Jenny's dedication and joy remind us all of the power of passion and care. She is also the reigning BWE NFL/ NCAA football pick em' champ, a title she will not let you forget!

BIG WALNUT LOCAL SCHOOL DISTRICT TURNS 75!

This month marks an extraordinary milestone for the Big Walnut Local School District as we celebrate 75 years of educational excellence, community pride, and rich history. Formed by legislative action of the Delaware County Board of Education in January 1950, the district has grown from its humble beginnings into a cornerstone of our community.

The establishment of the Big Walnut Local School District was a historic moment, as it united the former rivals, Galena and Sunbury School Districts, under one banner. This decision brought together two communities with a shared vision of providing exceptional educational opportunities for all students. The district takes its name from the Big Walnut Creek, a natural feature that flows through both Galena and Sunbury, symbolizing the unity and connection between the two towns.

Big Walnut High School at 105 Baughman - 1951

A Foundation for Growth

Before consolidation, both the Sunbury and Galena districts were preparing for growth by planning to build new high schools. The Sunbury District had purchased 56 acres of land located south of Sunbury and north of Galena, while Galena had passed a levy to fund construction but had not yet acquired land. Following the merger, the newly formed Big Walnut District recognized the need for a modern high school and chose to build on the land purchased by the Sunbury School District. Big Walnut High School would break ground in October of 1950 in the building currently at 105 Baughman St.

Big Walnut High School at 105 Baughman - 1951

Honoring the Legacy of Our Schools

What is now Big Walnut's Early Learning Center was originally the Sunbury School, housing grades K-12. After the consolidation in 1950, the school on Harrison Street became home to grades 1-7 beginning with the 1951 school year, as Big Walnut High School on Baughman Street opened its doors for the first time. Meanwhile, the former Galena School continued to serve students in grades 1-8 until 1962.

These formative years laid the foundation for what would become one of the most respected school districts in the region. The commitment of the district's leaders, educators, and community members over the past 75 years has ensured that Big Walnut remains a place where students can thrive academically, socially, and personally.

The Galena School - 1867

The Sunbury School - 1926

Looking Back and Moving Forward

As we celebrate this significant anniversary, we also look ahead to the future. Big Walnut Local School District continues to grow and evolve, preparing students to succeed in an ever-changing world. This remarkable journey of 75 years is a testament to the strength, resilience, and dedication of the Big Walnut community.

The Sunbury School - 1878-1913

For those interested in exploring the rich history of the Big Walnut Local School District in greater detail, we encourage you to visit the [Big Walnut Area Historical Society](http://bigwalnuthistory.org) at bigwalnuthistory.org.

Happy 75th Anniversary, Big Walnut! Here's to the next 75 years of excellence and unity.

Interim Treasurer

Ohio School District Property Taxes

Ohio’s school districts heavily rely on property taxes as a primary funding source, reflecting a complex interplay of state, local, and federal contributions to education. Property taxes are locally levied and account for a significant share of revenue for public schools in Ohio. Key features and challenges associated with these taxes include:

Structure of School District Property Taxes

- **Local Control:** Ohio school districts can propose levies that must be approved by voters. These levies can fund operations, improvements, or specific projects.
- **Types of Levies:** Common types include general operating levies, bond levies for capital projects, and permanent improvement levies.

- **Rate Variability:** Tax rates vary by district, based on property values and voter-approved levies.

Role of State Law and Regulation

- **House Bill 920:** This Ohio law limits revenue growth from existing property tax levies by reducing millage rates as property values increase. This creates stability for taxpayers but constrains revenue growth for districts.
- **State Funding Contribution:** The state provides additional funding to districts, aiming to address disparities in local wealth and property values. However, reliance on local property taxes perpetuates funding inequities.

Key Challenges and Implications

- **Funding Inequities:** Districts in affluent areas with high property values can generate significantly more revenue than districts in lower-income areas, creating disparities in educational opportunities.
- **Voter Dependency:** Levies require voter approval, making school funding unpredictable and subject to local support.
- **Taxpayer Burden:** Increases in property taxes can strain homeowners, especially those on fixed incomes, leading to resistance against new levies.
- **Revenue Volatility:** Economic factors, like housing market fluctuations, can affect property tax revenue and create uncertainty for districts.

Opportunities for Reform

- **Statewide Equalization:** Adjusting the state’s funding formula to reduce reliance on local property taxes could promote greater equity across districts.
- **Innovative Revenue Streams:** Exploring alternative funding mechanisms, such as income taxes or regional tax-sharing agreements, could supplement property tax revenue.
- **Community Engagement:** Encouraging community involvement in budget planning and levy campaigns may help foster local support for school funding.

In conclusion, while property taxes remain a cornerstone of Ohio’s school funding system, their inherent challenges necessitate ongoing evaluation and reform. Ensuring equitable and sustainable funding for all Ohio school districts is critical to achieving educational equity and excellence.

PRESCHOOL PEER ENROLLMENT

PROGRAM FEATURES:

- ✓ Developmentally appropriate curriculum using HighScope and Heggerty.
- ✓ Play-based learning
- ✓ Peer Mentoring programs

PEERS MUST:

- ✓ Be 4 years old by August 1st and be ready to enter Kindergarten the following year.
- ✓ Be fully potty trained
- ✓ Live in Big Walnut

Location: Early Learning Center (70 Harrison St.)

Times: AM (9:00-11:30)/PM (12:35-3:05) *Placement will be determined by school and will be sent to families prior to enrollment

Days: Monday through Thursday

COMPLETE INTEREST FORM

Due by February 7th at 8am

BIG WALNUT | INSPIRE LOCAL SCHOOLS & GUIDE

AROUND THE DISTRICT

BWHS Buddy Reading Program with PRE Students

The Big Walnut High School Key Club is a student-led organization that provides its members with opportunities to provide service to the community and school while building character and developing leadership skills. Our Key Club is sponsored by the local Sunbury Kiwanis club and we currently have around 30 high school members and are continuing to grow. The Key Club does many service projects around the community and schools during the year. We also enjoy doing activities with the residents at The Inn at Walnut Trails. Our Key Club goal is to encourage leadership and friendship through serving others.

One of our passion projects is Buddy Reading with Prairie Run Elementary students. Our club members meet with their reading buddies at Prairie Run Elementary twice a month to provide a little extra reading practice and friendship. Reading Buddies has proven to be one of the club's favorite programs.

AROUND THE DISTRICT

High School Engineering Update

Ben Steele
Engineering Instructor

Intro to Engineering Design

During exam week for all of the engineering classes, students were tasked with taking a multi-color fountain pen and recreating it in a 3D modeling CAD program, Fusion 360. Students were put into groups and each member was assigned a specific part to create. This project tests students' abilities to take measurements and translate them into a 3D model, a fundamental of 3D design.

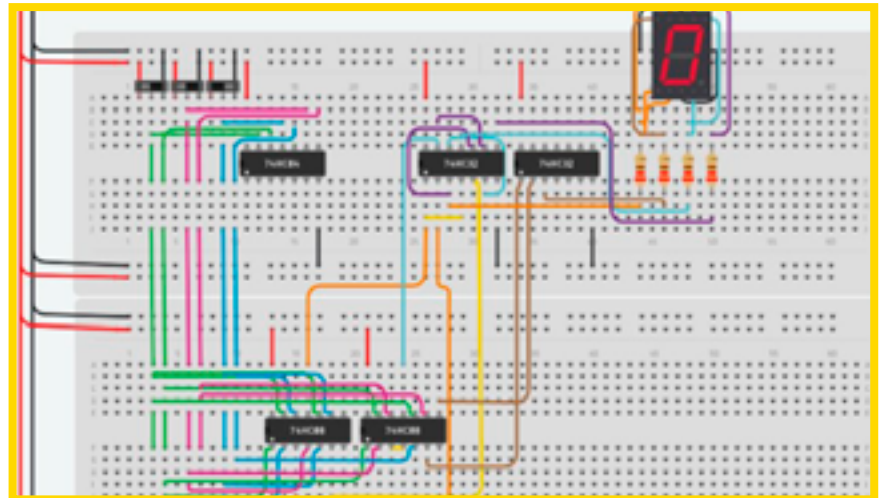

Principles of Engineering

For the POE students' exam, they simulated the process of defining a problem and then designing a solution. Each group was given a variety of projects to work on, from making a cookie conveyor belt to a robotic surgery arm. They assessed the requirements and then created the machine using VEX robotics parts. This is one example of a real-world application of engineering.

Digital Electronics

For their exam, D.E. students designed a circuit with a seven segment display meant to display their birthdate. The display would cycle through each digit as the input was changed. This tested students' abilities to use AOI logic and K-map truth tables to create a desired result on a display, much like a score board in a basketball arena. This gave students insight on how an everyday object works.

Senior Spotlight

Shreyas Chilakamarri is our Senior Spotlight of this month! Shreyas is planning on going into computer science/engineering. He has always been fascinated by what code can do, and he hopes to utilize coding among other technological skills to develop technology that could one day change the medical world. He plans on going to college to get his masters degree and afterwards work in a tech firm.

AROUND THE DISTRICT

Big Walnut High School Theatre Winter Show: Legally Blonde The Musical!

The Big Walnut Theatre Department is proud to announce the performance of "Legally Blonde The Musical." This show will be performed on March 6 - March 8. Keep an eye out as tickets will go on sale beginning in February!

Support Big Walnut High School Theatre and Become a Patron Today!

Big Walnut High School's Theatre Department is excited to present its upcoming productions of "Legally Blonde" and "Noises Off" this spring. You can play a key role in supporting these shows by becoming a Theatre Patron! Your patronage helps us deliver high-quality performances while providing you with exclusive perks. Check out the levels of support below:

PLATINUM (\$100)

4 free tickets to "Legally Blonde" (valued at \$60!)

GOLD (\$75)

3 free tickets to "Legally Blonde" (valued at \$45!)

SILVER (\$50)

2 free tickets to "Legally Blonde" (valued at \$30!)

BRONZE (\$25)

1 free ticket to "Legally Blonde" (valued at \$15!)

Exclusive Patron Benefits:

- Free tickets to "Legally Blonde" based on your patronage level.
- Early access to tickets for "Legally Blonde" and our spring play, "Noises Off." Presale begins on February 9th, and codes will be sent to patrons by 10:00 AM on this date.
- A \$2 discount coupon for "Noises Off" tickets (equal to the number of tickets included in your patronage package).
- Recognition in the digital programs for both productions, honoring your generous support.
- Early access includes an unlimited number of seats for patrons.

Advertise in Our Playbill

We are also offering ad space in the digital playbill for "Legally Blonde." This is a fantastic opportunity to support the arts while promoting your business or giving a personal shoutout to a student performer. Ads can be customized to fit your needs, whether it's a business advertisement or a personal message.

To take advantage of these benefits and early ticket access, please send in your patron order by February 8th. If you're interested in becoming a patron or purchasing ad space, please contact [Layne Payne](mailto:LaynePayne@bwls.net) (LaynePayne@bwls.net) for more information.

Thank you for supporting Big Walnut High School's Theatre Department. Together, we can make this season unforgettable!

AGRICULTURAL SCIENCE PROGRAM

Igniting Future Leaders: Our Business Management Course

Whether your student dreams of owning their own business or simply to understand how businesses are created, then the Business Management course can help them achieve these goals! Students will learn the fundamentals of business planning, sales techniques, leadership strategies, and career skills. Students expand their problem-solving, presentation, and communication skills through group projects and presentations. This course also fulfills the state’s financial literacy requirement.

We offer a comprehensive career development unit to prepare students for the workforce. Students practice real-world skills like finding and completing a job application, resume writing, and interviewing. Students complete a mock interview with industry professionals and leave with resumes and cover letters reviewed by human resource professionals.

Christine Febes
Agricultural Sciences Instructor

Chelsie Kofi-Opata
Senior, Big Walnut High School

For the January member spotlight, the Big Walnut - DACC Agricultural Program would like to recognize Chelsie Kofi-Opata, a senior member in the program. Chelsie was one of five participants this year who qualified to compete in the state finals of the Job Interview Career Development Event. Chelsie placed 1st at the sub-district, district, and state preliminary contests. She placed 3rd overall in the entire state competition. Chelsie states that she is eternally grateful for this opportunity because she has gained valuable skills that will help her advocate for herself and prepare for interviews in the future. Chelsie’s favorite part about the agricultural sciences program is the real-world experiences she can achieve both in and outside the classroom. While Chelsie often says she “doesn’t do dirt,” she is grateful that her Business Management teacher encouraged her to step outside her comfort zone to reach her infinite potential.

Congratulations, Parliamentary Procedure Teams!

For the first time since 2017, we were able to field two teams to participate in the Parliamentary Procedure Career Development Events. These events are designed to test student’s knowledge of Robert’s Rules of Order and running an effective business meeting. Teams worked together to complete an assigned agenda by moving motions, debating, and thinking critically about the situations presented on the assigned agenda. Both teams advanced through the sub-district and district levels to earn a spot in their state events, hosted in December at the Delaware Area Career Center.

We would like to extend a huge congratulations to the middle and high school students on our team in the Novice division (grades 7-9) - Ella Altizer, Austin Chapman, Ava Debolt, Travis Edwards, Kensley Fox, Landen Legg, Rosemary McCaulla, Morgan Miller, and Paashv Soni. This team placed first in the preliminary round and earned third place in the state finals!

The team in the Advanced division (grades 10-12) was comprised of Paris Anderson, Jack Fu, Chelsie Kofi-Opata, Joshua Schutt, Lainey Soule, and Gracie Young. This team placed second in the state preliminary round, just missing the finals.

Congratulations to both of these teams! Their hard work and dedication are commendable and will impact our school and community for years to come.

MIDDLE SCHOOL SPORTS

2025 is here and despite the frigid temperatures outside, the coaches and student-athletes at BWMS are on fire inside! The winter season got off to a fast start for all of our teams and things have only continued into the new year. If you have not yet gotten the chance to watch the BWMS girls basketball, boys basketball, girls wrestling, boys wrestling or cheer teams yet, don't wait much longer as the season will conclude in about a month's time. Trust me, you won't be disappointed.

Joe Rucker
Big Walnut Middle School
Athletic Director

Current records and/or highlights by each squad up to this date:

7th Grade Girls Basketball is currently undefeated with a record of 8-0. These girls play full court and win because of their tenacious defense.

8th Grade Girls Basketball has a record of 7-1. This team plays scrappy basketball and always outworks their opponent.

7th Grade Boys Basketball has a record of 8-1. This group forces a lot of turnovers and transitions those into points quickly on the other end.

8th Grade Boys Basketball has a record of 7-2. These boys have a great mix of outside shooting by the guards and solid rebounding by the bigs.

Girls Wrestling has had an amazing first season as an official school sport. They finished 1st at the Lady Scots Tourney at HighLand MS and 2nd at the Belehah Park Tourney.

Boys Wrestling are firing on all cylinders. They finished 1st in the 3rd Annual BWMS WinterSlam on January 4th. They also brought home a 1st place finish at the New Albany Invitational.

The Cheer Squads have brought the energy and spirit at every event they have attended. And the Competition Cheer team brought home a 2nd place finish at the OASSA State Tournament.

I also want to mention that our **Club Diving** and **Indoor Track** teams are working hard proudly representing BWMS. The Indoor Track team had their first competition of the season on Sunday, January 12th at Marietta.

One thing I would like to highlight as I reflect on the 1st semester is just how lucky we are at BWMS with the amount of community/parent volunteers we benefit from. Whether it's the dozens of people who spend hours working our Eagle Invite in the fall or WinterSlam in the winter, to concessions, scorebooks, clock, team meals, etc...we could not do things without you. So to everyone who has volunteered in some capacity thus far, THANK YOU very much and know that you are appreciated.

As always, if you have questions, feel free to call BWMS at 740-965-3006. The best MS athletic secretary in the business, Stephanie Kreager, or myself will be happy to assist you.

GO EAGLES!!!

High School Sports

Brian Shelton
Big Walnut High School
Athletic Director

Boys Basketball - Head Coach - Aaron Stumpf

Current Record: 6-4 and 1-3 OCC

The boy’s basketball team is off to a solid start to the season with big wins over Olentangy Berlin and New Albany. Scoring leaders: Brody Hatfield 12.3, Eli Stumpf 12.2, Braden McCruiter 10.5, Carson Sholl 8.3, Owen Pollock 6.6 and Jackson Bowers 3.8.

Girls Basketball - Head Coach - Carey Largent

Current Record: 8-1 and 4-1 OCC

The girl’s basketball team is off to a powerful start, with their only loss against Westerville South with big wins against Lakota East, Centerville, and Kings. Scoring leaders: Sydney Mobley 18.8, Denza Allen 13.0, Remy Largent 10.0, Lexi Federer 5.3, Alexa Morris 4.1, and Josie Syroka 4.0.

Boys Wrestling - Head Coach - Aaron Renner

The boys’ wrestling team had a challenging December schedule. They attended tournaments at Granville (5th out of 17 teams), Olentangy Liberty (14th out of 36), and the GMVWA Classic in Dayton (18th out of 62). The team had a decisive win against Westerville South (67-12).

The team is led by seniors Eli Hadden (18 wins, 5 losses), Nathan Barnes (14 wins, 3 losses), and Griffin Mininger (10 wins, 7 losses). Juniors Jayson Baker (13 wins, 6 losses) and Cian Sanonsky (12 wins, 10 losses). Sophomore Tyler Richey has a record of 12 wins and 7 losses.

In January, the team has weekly dual meets and tournaments. They placed 5th out of 17 teams at Dublin Scioto last weekend. Upcoming tournaments are at Jonathan Alder and Watkins, along with more OCC dual meets. The boys are improving and look forward to a successful postseason.

Girls Wrestling - Head Coach - Jack Reall

Girls wrestling is about one-third of the way through their season. Our 18 girls, who are all first-year wrestlers, are competing hard. So far, our Eagles have a record of 4 wins and 2 losses. They lost to the top team in the country (Orange) and the fifth-ranked team in Indiana (Whiteland). The girls have also faced some of the toughest tournaments in the state. The team aims to perform their best in the postseason tournaments, which start at the end of February and end in mid-March. They will wrestle at home on January 30 against Hayes.

Competition Cheer - Head Coach - Steven Green

Under the leadership of Steven Green, the team has placed second multiple times and recently qualified for states that will be held at Big Walnut High School on February 22nd and 23rd, 2025.

Swimming - Head Coach - Nick Borghi

Lexie LaBier has had a great start to the year, breaking school records four times in just two months. She now holds three records: 200 Freestyle, 500 Freestyle, and 100 Freestyle, including breaking her own 100 Freestyle record.

This year, we have a strong group of freshman girls, led by Becca Bedell, Lauren House, and Sylvia Branham. They and Lexie LaBier hope to qualify for districts in the Girls 200 Freestyle Relay and the Girls 400 Freestyle Relay.

On the boys’ side, we have five strong swimmers: Owen Smith (SR), Andy Wion (JR), Zak Bloomer, Ronan Harruff (SO), and Owen Wion (FR). They will compete in the NorthEast Classic invitational this weekend and aim for all three relays to qualify for districts.

Freshman Owen Wion started the season well, reaching the finals in the 200 IM and 100 Backstroke at the Ned Reeb Memorial meet. He broke his older brother John Wion’s school record in the 100 Freestyle.

Six swimmers—Lexie LaBier, Owen Smith, Andy Wion, Zak Bloomer, Ronan Harruff, and Owen Wion—will compete in Canton at the NorthEast Classic meet this weekend. The rest of the team will take a break before our OCC Championships next weekend.

Big Walnut Athletics

HIGH SCHOOL SPORTS

Diving - Head Coach - Jen White

Divers competed in the Bill Reitz Invite on January 4, where Andrew Boldizar won the boys' competition and earned the title of Diver of the Meet. On Saturday, January 11, the team participated in the CSG Invite, where Sarah White and Andrew Boldizar secured victories. The divers are heading into their OCC meet on Saturday, January 18, at Upper Arlington. Andrew Boldizar, Charlie Ulrich, and Bennett Weatherhead represent Big Walnut in the boys' competition. The girls' team will include Sarah White, Brooke Gabel, Summer Gable, and Brynn Drewyor.

Boys Bowling - Head Coach - Connor Leidtke/Zach Green

Current Record: 6-0

Boys Bowling played their two toughest opponents last week in Westerville South and Hilliard Darby and bowled some of the season's highest scores to secure the win. The highest total score so far is 2,500 against Hilliard Darby. The team has

made the top 8 cut at both tournaments this year but has been eliminated in round 1 of bracket play. Tino Tucci (senior) leads the team in average with a 211, with Domonic Bolton (senior) and Mason Woodward (freshman) close behind, just below 200 averages. The boys' team hopes to finish the season undefeated and become OCC champions, ultimately battling their way to states again for the 3rd year in a row.

Girls Bowling - Head Coach - Connor Leidtke/Zach Green

Current Record: 6-1

The girls' only loss was to Westerville South last week. They are hoping to beat Worthington Kilbourne this week, who's number one in the OCC right now. Their highest match total this season is 1,611 against Hilliard Darby last week. Mia Lumbra (junior) is leading the team in average with a 151, with Julie Maynard (junior) the next closest at 141. The girls' team is hoping for some big wins in the next couple of weeks and some other teams to lose to stir up the standings in the OCC.

Gymnastics - Head Coach - Misty Matthews

The girl's gymnastics competes in a tough OCC capital division. Under the leader of Coach Misty Matthews, the ladies have been battle-tested with the OCC Championship and OHSSA tournament play just around the corner.

Indoor Boys Track - Head Coach - Ryan Borland

On Saturday, our boys' indoor track and field team competed at Otterbein's first high school meet of the season. Our boys finished first out of 27 teams that competed Saturday. There were numerous good performances, including Chase Bergsten and Remy Stanford, who placed in the 60 Hurdles. Hunter Bergsten and Dexter Chhuom placed in the 60 meters. Josh Rentz had a strong day in the pole vault, and Braden

McCruter and Drew Hendon placed in the high jump. Dallas Biehl placed in the long jump, and Austyn Fox placed in the 1600. There were a number of personal bests, which is an encouraging start to what looks to be another great season of track and field. We will compete again next week at Otterbein on Sunday, January 19th. Go Eagles!

Indoor Girls Track - Head Coach - Joe Evener

The Big Walnut Girls' Indoor Track Team has had a great deal of success over the last 30 years, winning six Indoor District titles along with five Indoor District runner-up titles. Individually, the team has had 70 1st Team All-Indoor Central District winners. Last year, the team also won the inaugural OCC Indoor Championship. Since the Indoor State meet's inception in 2005, the team has had 123 Indoor State qualifiers, with 42 placers, 5 Indoor State Champions, and six top 20 team state placings.

So far this season, the team has a record of 42-2, having won the Otterbein Invitational on January 11th. We have several individuals making a run toward the Indoor State meet in March. Sophomore Leah Reiter is leading the charge, ranking in the top 20 in six events (60m dash, 200m dash, 60m hurdles, long jump, and triple jump). Senior Natalie Vrancken is ranked in the high jump and shot put, sophomore Karly Gneiting is ranked in both the 60m hurdles and the triple jump, Erin Hoover is ranked in the high jump, Karsyn Klaus is ranked in the 200m dash, and the 4x200 relay team of Leah Reiter, Ella Gianettino, Kayla Tillar, and Karsyn Klaus is ranked 5th in the state.
