Eagle Examiner

Our mission is to inspire and guide each student to his or her maximum potential

WELCOME
TO A SPOOKY
SECOND
QUARTER!

MESSAGE from the SUPERINTENDENT

It is hard to believe we are in our third week of the second quarter of the 2024-25 school year. It has been a great start with so much to celebrate.

Our students have excelled both in and out of the classroom. We have had various state qualifiers in athletics, teams competing deep into the playoffs, and our FFA students competing and winning a national title in the Food Science and Technology category. Our marching band competed at The Shoe, and many of our high school students will be participating in the fall play *The Somewhat True Tales of Robin Hood* later this week.

Our staff and students work with different organizations in our community in an effort to do our part to make it better. For the next two weeks, we will participate in a food drive for those in need for the Thanksgiving holiday.

As we move forward, we are reminded that our achievements reflect the dedication and passion of everyone in our school community—students, staff, families, and partners. Thank you for your continued support and enthusiasm, which make these successes possible. We look forward to all the wonderful things yet to come this school year and the positive impact we can make together.

Big Nut Strut Recap

The Big Nut Strut, held on October 13, 2024, was a fantastic event that brought together participants from all the schools to celebrate community, health, and fun!

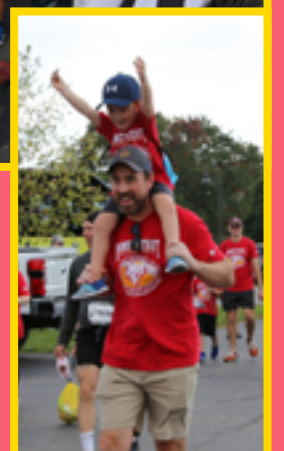

Highlights:

The Strut: Participants took to the streets, some walked the one mile course and others completed the 5k route. Families, friends, and solo strutters enjoyed a neighborhood route, with supporters cheering them on along the way.

Activities & Entertainment: Before and after the race, there were plenty of activities for all ages. Bounce houses, food trucks, and local vendors created a lively marketplace atmosphere. Kids enjoyed face painting and the playground, while adults relaxed with refreshments and engaged in community booths.

Fundraising Success: The event raised significant funds for the Big Walnut School PTO's, showcasing the community's commitment to supporting our schools. Participants and sponsors alike played a crucial role in making this a success..

Overall, the Big Nut Strut was a memorable day filled with joy, community spirit, and a shared purpose. Thanks to everyone who participated, volunteered, or supported the event. We can't wait for next year's strut!

COMMON CENTS

Big Walnut's Five-Year Forecast

Scott Gooding
Interim Treasurer

Overview

The Big Walnut Local School District's financial forecast for FY25–FY29 presents a detailed projection of revenues and expenditures, providing insights into the district's fiscal health and challenges. The forecast highlights key funding changes, trends in local and state contributions, and the anticipated impacts of inflation and enrollment growth on the district's operations.

Key Revenue and Expenditure Highlights

Revenue Sources:

- Local property taxes constitute 57.61% of total revenue, with an overall local funding contribution of 81.34%.

- State funding accounts for 18.66% of revenue, guided by Ohio's Fair School Funding Plan (FSFP).
- Income tax revenues decreased in FY24 but rebounded in early FY25, with future increases expected.

Expenditure Composition:

- Wages and benefits form the largest expenditure at 78.66% of the budget.
- Rising costs in purchased services, transportation, and maintenance are key forecast drivers.
- Total expenditures are projected to increase annually, driven by inflation and district growth needs.

Financial Projections and Challenges

Surplus and Deficit Trends:

- While revenues currently exceed expenditures, deficit spending is anticipated starting in FY26.
- Cash reserves are sufficient through FY29, with the district expected to maintain a cash balance above Ohio's 60-day reserve requirement.
- Projected ending cash balances will decline from \$41 million in FY25 to \$28.6 million in FY29, indicating a need for future financial adjustments.

Key Risks and Uncertainties:

- Unpredictability in state funding beyond FY25 poses a financial risk.
- Enrollment growth requires continuous monitoring to align with funding and operational needs.
- The impact of HB126 limits the district's ability to contest property value assessments, potentially reducing property tax revenues.

Conclusion

The Big Walnut Local School District is positioned to maintain fiscal stability through FY29, supported by prudent cash management and strategic forecasting. However, challenges related to deficit spending, evolving state funding policies, and enrollment growth highlight the importance of proactive financial planning. Continuous adjustments will be necessary to ensure the district can meet both operational needs and long-term financial goals.

This summary reflects the critical insights and projections from the detailed five-year forecast and serves as a foundation for informed financial decision-making. A copy of the presentation can be accessed [here](#).

Supporting Big Walnut Families This Holiday Season

As the holiday season approaches, we're reminded of the importance of supporting one another. In the spirit of giving, Big Walnut Local Schools is reaching out to help our neighbors who may need a little extra assistance this year. Our goal is to make the holidays brighter for families in our community, and we invite you to join us in this effort.

We have started to receive Holiday Wish Lists from families in need, and we're seeking individuals, groups, or organizations interested in adopting a family this season. This is a wonderful opportunity to make a meaningful impact and spread joy to those who could use some extra holiday cheer. If you, your group, or organization would like to participate, please reach out to Linda Klamfoth at LindaKlamfoth@bwls.net or call 740-965-7788.

Additionally, if you know of a family in need or if someone could benefit from holiday assistance, please encourage them to contact Linda directly. Together, we can ensure that every family in Big Walnut experiences the warmth and generosity of the season.

Best Wishes for a joyful holiday season!

Enhancing Student Health Records with SchoolCare

In our ongoing effort to prioritize student health and safety, Big Walnut School District has partnered with SchoolCare, a leading student health record platform used by hundreds of schools across the country. This platform offers real-time access to student health information for both parents and designated school staff, ensuring improved communication and streamlined documentation for all students’ health needs.

About SchoolCare: SchoolCare adheres to both FERPA and HIPAA regulations, guaranteeing the confidentiality and security of your student’s health information. Our school nurses now use this centralized electronic health record system to enhance student health care through improved tracking, streamlined documentation, efficient inventory management, and cost reductions. It also offers a convenient way for parents to stay informed on their child’s health records.

Quick Facts and Benefits of SchoolCare for Big Walnut School Nurses and Parents:

- **Cost-Free Solution:** SchoolCare is provided at no cost to the district, so no taxpayer dollars are used to support this platform
- **Opt-In Program:** Parents must opt in to participate, ensuring that families have control over their child’s health data.
- **Optional Care Coordination:** School nurses cannot access outside medical records unless parents specifically opt in to the Care Coordination feature, adding an extra layer of control and privacy.
- **Automated Immunization Tracking:** SchoolCare collects and tracks immunization data, sending reminders about any upcoming or overdue immunizations.
- **Time-Saving Record Management:** Health information entered in previous years auto-populates, reducing redundant data entry and saving time.
- **Health Notifications:** Parents receive timely alerts about their child’s medication inventory, health screenings, and any visits to the health room
- **Accessible Health Information:** SchoolCare gives parents 24/7 access to their child’s immunization records and health information from any location

We’re thrilled to bring this cutting-edge tool to our district and are here to answer any questions you may have. SchoolCare is an exciting addition to Big Walnut’s commitment to student wellness, and we look forward to seeing the positive impact it will have in supporting our students’ health needs.

For more information or to get started with SchoolCare, please contact our health services team.

High School Engineering Update

Ben Steele
Engineering Instructor

Intro to Engineering Design

Students are designing a headphone case to meet the requirements of a consumer. They are given criteria, and then proceed to design and build a unique case using Fusion 360 and the 3D printers. Students will then compete and make a pitch to prove their case is the best! They are learning more and more about what it takes to be an engineer in the real world!

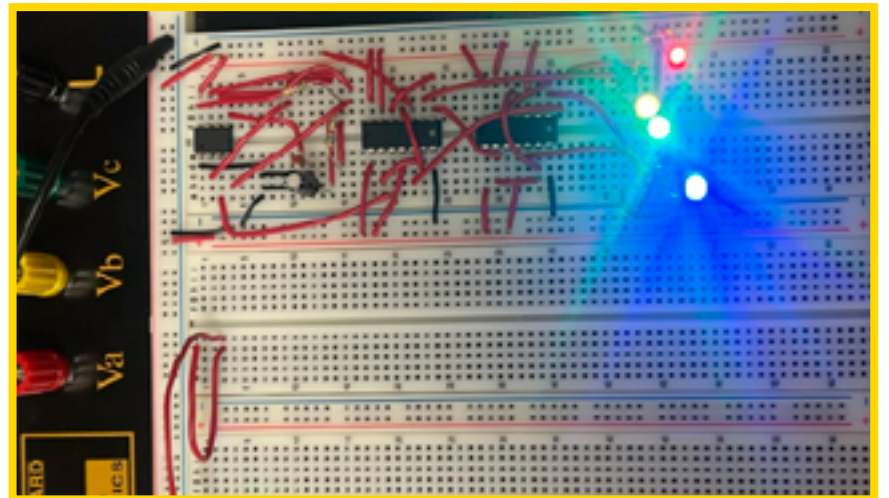

Principles of Engineering

Students in POE have taken it to the next level and recently completed one of our most creative and challenging assignments: The Rube Goldberg Machine. In this project, students got into groups to build a two-part machine. Finally they worked as a whole class to have a ten-part machine. Their success would be determined if they are able to pop a balloon!

Digital Electronics

In DE, students have continued to learn about circuits through the use of Multisim, a circuit design software. They were then tasked with wiring up a 4-bit binary counter circuit using a 555 Timer. Students have learned how to wire complex circuits to construct a counter. This will help set up students to be ready for the next challenge.

Senior Spotlight

Riley Skinner is this months Senior Spotlight! Riley has been pursuing his passion in STEM to concentrate in the study of aviation. Over the past four years he has been successful in courses like Robotics, Intro to Engineering Design, and currently in Principles of Engineering. He plans to pursue a degree at Western Michigan University and we wish him the best of luck!

BWHS Theatre Department Presents "The Somewhat True Tales of Robin Hood"

Get ready for a delightful adventure with Big Walnut High School’s upcoming performance of *The Somewhat True Tales of Robin Hood*! Perfect for all ages, this comedy is packed with lively, physical humor that promises laughs and fun for the entire family. Join us for a Monty Pythonesque retelling of Robin Hood’s classic story, where a hero’s quest to help the needy brings out hilariously exaggerated characters and situations.

Follow our gallant hero, Robin Hood, as he swaggers through Sherwood Forest, where helping others is as important as showing off his undeniable charm. Robin crosses paths with a damsel-in-distress who’s peculiarly concerned with skin care, a sheriff who prefers bowling to archery, and a monarch bent on hoarding wealth. Together with a lovable “Town’s Guy” and “Town’s Gal” who pop up in every scene, and his trusty band of Merry Men (wielding spoons!), Robin’s tale will keep you laughing from start to finish.

Date & Time:

- Thursday, November 7th at 7:30 PM
- Saturday, November 9th at 2:00 PM

Location: Big Walnut High School Performing Arts Center

Tickets:

- Student & Senior Tickets: \$8
- General Admission: \$12

Bring friends, family, and anyone looking for a heartwarming and humorous take on a beloved tale. It’s sure to be an unforgettable experience filled with laughter and charm!

Thursday, November 7th 7:30PM
Saturday, November 9th 2:00PM

← General Admission: \$12
Students/Seniors: \$8

BIG WALNUT TRANSITION PANEL

Post-Secondary Support
For Students with Disabilities

EDUCATION

Come learn about post-secondary services with a college type experience. This is for students who may be seeking more supported employment or competitive employment with the additional need for independent living instruction. Mount Vernon Ignite will be in attendance along with other resources.

ADULT DAY-HAB

Come learn about opportunities for students that may require independent living support. This may result in day rehabilitation support. Adult day habbs in attendance TBD. Some local area services include: Dreamshine AllIRFriends currently has a wait list

EMPLOYMENT

Come learn about pre-employment, job coaching, and job exploration services. Some of the services that will be presenting include: Opportunities for Ohioans with Disabilities, ARC Industries, and Project Search

FLIGHT

Come learn about Big Walnut's newest program to service deferred graduates for post-secondary transition:

FLIGHT-Future Life of Independence Gained through Holistic Transition

WHEN/WHERE/WHO

Big Walnut will be hosting their first ever transition panel. This is an opportunity for families with students with disabilities to hear about the different services available for life after high school. This will be held the same night as parent teacher conferences on November 7th at the High School in the Performing Arts Center from 5:00-6:30. Come by and listen, ask questions, and feel free to take resources in order to dive into later.

If you are looking for other opportunities for support, please visit these events/activities as well.

Delaware County Transition Fair-Oct. 8th 6:00pm-8:00pm DACC
College Seminar For Students on an IEP or 504- Oct. 24th 6:00pm-7:30 Westerville Central High School
Transition Night Resource Fair Nov. 12th 5:00pm-6:30pm Dublin Jerome High School
Project Search Tour Date Sign Up
Campus Based Transition Classroom Tours: WINGS, Project Plus

CHILD CHECK DEVELOPMENTAL SCREENER

Child Check is an educational screening for children ages 3-5. Child Check is NOT a Kindergarten screening. This screening is provided by Big Walnut Local Schools and is free to families within the Big Walnut School District. The purpose is to provide parents with information regarding their child's development in: Speech and Language Skills, Gross/Fine Motor (Large & Small Muscle) Skills, Basic Academic Concepts, Vision and Hearing. The screening can help parents determine how their child is developing in comparison to other children the same age. If a child has weaknesses, or is delayed in one or more of these areas then he/she will be referred for further testing. This additional testing is more comprehensive and will determine if the delay is significant enough to qualify for special education.

For more information regarding the PEER Model Program please call 740.965.7846 or email studentservices@bwls.net

SEE YOU THERE!

AROUND THE DISTRICT

Mike McGann
Big Walnut Middle School

Big Walnut Staff Spotlight!

Mike McGann of Big Walnut Middle School exemplifies our district's mission by inspiring and guiding students to reach their fullest potential. Known for his passion, citizenship, and commitment, Mr. McGann goes above and beyond to support his students, colleagues, and the Big Walnut community. Whether he's fostering positive relationships, encouraging participation in the Patriot's Pen essay contest, or organizing meaningful service projects, Mr. McGann embodies the values of integrity and empathy, helping students develop a sense of pride and respect for their community.

In his role as an educator, Mr. McGann brings innovation to the classroom, where students can reflect on the past to understand the present. Beyond academics, his commitment extends to coaching track and field, supporting school events, and collaborating with families to enhance student experiences. Through his leadership and dedication, Mr. McGann consistently motivates students to grow as thinkers, citizens, and compassionate individuals, making him an invaluable part of BWMS.

"Mr. McGann goes above and beyond expectations as a coach, educator and colleague. Mike truly lives our district mission to inspire and guide students to their maximum potential with a personalized learning experience. He is a great teammate and advocate for middle-level learners and is dedicated to providing a great middle school experience for every student each year."

- Josh Frame, Principal, Big Walnut Middle School

Big Walnut High School Marching Band Performs at the 2024 Buckeye Invitational

Big Walnut High School's Marching Band had the incredible honor of performing at the Buckeye Invitational, a high school band competition hosted by the Ohio Music Education Association (OMEA). Hosted by The Ohio State University Marching Band, the event took place in the historic Ohio Stadium on Saturday, October 12, 2024.

The Buckeye Invitational provided an incredible opportunity for high school bands from across the country to showcase their

talent and compete. Bands were adjudicated by OMEA judges and received valuable feedback from renowned musicians and educators from the region. The atmosphere in Ohio Stadium was electric, filled with excitement and pride, making it an unforgettable experience for the Big Walnut Marching Band and everyone in attendance. The event highlighted the dedication and hard work of each band, and it was a fantastic opportunity for our students to perform on such a grand stage.

General Rosecrans Elementary Students Glide into Fun with Roller Skating Program

The sound of laughter and the glide of wheels filled the gymnasium at General Rosecrans Elementary last month as students from kindergarten to third grade took part in an exciting skating program. Under the guidance of PE teacher Mrs. Grieger, young skaters are discovering the joy of movement and balance while developing essential skills.

The program, which started in September, aims to promote physical fitness and coordination among students. "Skating is a fantastic way for kids to stay active and have fun at the same time," Mrs. Grieger remarked, "It helps them build balance, confidence, and social skills."

The gym was transformed into a vibrant skating arena during the skating unit. Students donned colorful helmets and wrist guards, eager to take their first spins on wheels. Many parents volunteered to help, assisting children with their skates and cheering them on from the sidelines. "It's wonderful to see the parents so involved," Mrs. Grieger noted. "Their support makes a big difference in creating a positive experience for the kids."

Little ones like Lydia, a kindergarten student, took tentative first steps on her skates, while third graders like Ben showcased their growing skills, confidently zipping around the gym. "I was excited at first and thought it was going to be easy, but then I realized it was hard. By the end of the week I was better at roller skating and I had a lot of fun," said Lydia.

Parents expressed their excitement as well. "This program is such a great opportunity for the kids to learn something new and stay active," said Megan O'Dell, a parent volunteer. "It's a joy to watch them encourage each other and have fun."

Safety is a top priority for Mrs. Grieger and the staff. All students are required to wear protective gear, and the volunteers ensure that

every child feels comfortable on the rink. "We want them to enjoy skating without worrying about getting hurt," she added.

Towards the end of the week, the gym was transformed! Lights were dimmed, disco balls and D.J. lights swirled the room and music was playing. They played 4 corners and did the limbo, too. Smiles and cheers filled the gym, while the students skated, making it clear that General Rosecrans Elementary is not only teaching kids how to skate but also fostering a lifelong love of physical activity.

The skating program is now over but Mrs. Grieger hopes the students show off their skills when they go to skate rinks for birthday parties, camps, and field trips. This program has been a staple at GRE for 10 years.

For more information about the skating program and upcoming events, parents are encouraged to check the school's website and follow General Rosecrans Elementary on social media.

AGRICULTURAL SCIENCE PROGRAM

In October, nineteen Big Walnut - DACC FFA members traveled to the National FFA Convention & Expo. The Food Science & Technology team represented Ohio in the national event against 38 state-winning teams.

In this event, students take a written exam, conduct sensory evaluations on food products, complete practical math calculations, and participate in food quality and safety practicums. They completed a food safety audit as a team and developed a processing, production, and marketing plan for a high-protein children's snack.

Our team placed first at the national level! Individually, Savannah Durheim placed 7th, Jenna Ebbers placed 8th, Jacob McMillen received a gold rating, and Brandon Edwards received a silver rating. Jasmine Bah is the team's trusted alternate.

Each student will receive a \$1,000 scholarship in recognition of their achievements. The team also received an all-expenses-paid trip to Atlanta, Georgia, to attend the International Production & Processing Expo in January.

Jeffrey Stimmell
Agricultural Sciences Instructor

The team would like to thank Dr. Mary Kay Pohlschneider for helping to prepare for this event.

The Big Walnut - DACC FFA Chapter is no stranger to this event. Our chapter placed first four times in the last six national contests and was the national runner-up twice. We are proud of these accomplishments, especially considering that the National FFA Organization's rules prohibit students from competing at the national level more than once, meaning all six top-placing teams have been comprised of different members.

HIGH SCHOOL SPORTS

Fall 2024 Season Update

Big Walnut High School Athletics earned the Ohio Capital Conference Ralph Young All-Sports Award for the first time in 2021-2022, again in 2022-23, and for two out of three years in 2023-2024. This prestigious award honors the top athletic program across the OCC's schools based on seasonal sports performance. Winning this award highlights Big Walnut's commitment to athletic excellence, as it recognizes consistent, outstanding results across all sports seasons, underscoring the achievements of student-athletes and coaches who contributed to this historic recognition for the school. After another successful fall season, Big Walnut Athletes will again be at the top of the OCC for the Ralph Young award heading into the winter sports season.

Conference Standings and Final Season Record

Football OCC Champions 10-1 Playoff qualifiers, first-round victory 42-0 over Logan

Boys Cross Country 6th in OCC - Record 99-52

Girls Cross Country OCC Champions - District Qualifiers

Boys Golf 2nd in OCC - Record 199-44 -District Qualifiers

Girls Golf OCC Champions - First golf team in school history to win an OCC Championship

Boys Soccer 5th in OCC - Record 6-10-2 - District Runner-Up

Girls Soccer 2nd in OCC - Record 12-7-1 - District Champions and Regional Qualifiers

Girls Tennis 4th in OCC - Record 10-8

Girls Volleyball 2nd in OCC - Record 15-10 - Sectional Champions - District Runner-Up

Individual Highlights:

Leigha Kay - Girls Cross Country - OCC Individual Champion - District and State Qualifier

Gracyn Alexander - Girls Golf - District Qualifier (second straight year)

Audrey Coulson - Girls Volleyball - Central District Player of the Year

OHSAA Host Site - Big Walnut High School

Big Walnut High School Athletics has consistently been selected to host OHSAA postseason play, with recent hosting of the OHSAA District and Regional Boys and Girls Soccer Championships. This winter, the school was also chosen to host the OASSA State Middle and High School Cheer Championships and will likely host district basketball contests. Big Walnut HS will proudly host the OCC Track and Field Championships in the spring. The school's new facilities have enabled us to showcase our capabilities in hosting OHSAA events, contributing to the continued growth of our athletic department.

Big Walnut Athletics

Winter Sports

Winter sports have started for most teams. Spectators are encouraged to purchase season tickets and save money at the gate. [Big Walnut families age 60+ may get a blue pass at the gate of any ticketed home game with a valid ID.](#)

Updated winter sports schedules can be found on the athletic website, by clicking the QR code above.

MIDDLE SCHOOL SPORTS

While the fall season has officially wrapped up at BWMS, we are cheering on our teammates at BWHS who are still competing in the postseason and wish them the best of luck on that journey to the top. And while we are sad to see the fall season go by so quickly, the excitement is ramping up for what is guaranteed to be a fun winter season for all of our teams. In addition to our normal set of teams that include 7/8 Boys Basketball, 7/8 Girls Basketball, 7/8 Cheerleading and Boys Wrestling, 2024-25 will be the inaugural season for our girls wrestling team to be recognized as an official school sport. Diving and Indoor Track will continue to be offered and compete as club teams at BWMS.

With that said, I want to take a moment to introduce all of our winter coaches and thank them for their efforts preparing our student-athletes for the season:

7th Boys Basketball - Mark Adams

8th Boys Basketball - Eric Myers

7th Girls Basketball - Danielle Horsley

8th Girls Basketball - Nicole Huffman

Cheerleading - Kaylee Yarnell and Brianna Lawless

Boys Wrestling - Ryan Coletta and Dominic Giordano

Girls Wrestling - Jack Reall

Indoor Track - Dave Ishler

Diving - Jen White

Joe Rucker
Big Walnut Middle School
Athletic Director

We want to wish all of our coaches and student-athletes the best as they work hard through the preseason before competitions start near the end of November. While the weather turns cold outside, the heat is sure to turn up inside!

As everyone knows, it takes a village to keep an athletics department moving forward and one group that is extremely valuable in keeping things going is our transportation department led by Laura Forman and Sally Krinn. Safety is always the top priority at Big Walnut and our bus drivers do a remarkable job of getting our student-athletes to and from events without incident. In addition, you will oftentimes find our drivers sitting up in the stands cheering on the team during the competitions. On behalf of BWMS, we want to send a huge THANK YOU to all the drivers, mechanics and staff at the transportation department for their service.

As always, if you have questions, feel free to call BWMS at 740.965.3006. The best athletic secretary in the business, Stephanie Kreager, or myself will be happy to assist you.
