Friday	Notes:	<p>Objective: Students will develop and demonstrate an understanding of the key concepts, terms, and events of the events in the lesson overview.</p> <p>Lesson Overview: Friday - We'll finish up our overview of culture, art, and architecture into the early Imperial period of Rome. Here's the link to the short video I'm going to show in class: U of Arizona Roman Art video.</p> <p>The question of the role of women in Rome has come up several times. Here's a video that does a pretty good job outlining the power that women did/didn't have. The speaker is a little dry/dull - sorry about that - but the information is very good. Typical British understated, dry delivery of some pretty amazing information. So, spend classtime getting as far as you can, we'll discuss briefly next week.</p> <p>Link: Power of Women in the early Empire</p>	Academic Standards:
